About the University

Shah Abdul Latif University, Khairpur provides unique opportunities to the students to study in the fields of Natural Sciences, Physical Sciences, Social Sciences, Arts & Languages, Education, Management Sciences and Law. It is the only University in Upper Sindh which is catering for the academic needs in various disciplines.

Shah Abdul Latif University is one of the developed universities of Pakistan. It is staffed by more than 234 well-qualified faculty members working in 29 departments. Most of the faculty members are young and foreign qualified. Teaching in this University is very innovative. It is backed up by the state-of-the-art audio visual teaching tools to prepare students as per market demand and groom them to meet the challenges of competitive market of the day. As a result, most of the graduates of the University have secured professional and other jobs in public and private sector.

Location

Shah Abdul Latif University, Khairpur is located in the heartland of Upper Sindh i.e. Khairpur, one of the former princely states of British India. The main Campus is located near National Highway and is easily reachable by air, railway and bus services. Sukkur airport is on half an hour drive and Khairpur Railway station is (05) kilometers away from the main Campus.

The beauty of the University lies in the fact that it is surrounded by famous archaeological sites: Mohenjo Daro, Kot Diji, Rohri Hills, Achro Desert, religious shrines of Sadhu Bella, and Sachal Sarmast, barrage and bridges (Lloyds Barrage, Lansdowne and Ayoub Bridges) and culturally rich land where people are very friendly and hospitable.

The main campus of the University covers an area of 302-22 acres land with lush green lawns, play grounds, and trees. It is located just three kilometers from Khairpur town. The landscape of the University includes three canals at a walking distance, which serve as an excellent picnic spots for the students and the faculty. The University has over 13000 students in various programs. About 70 percent of students are male and 30 percent female. There are eight hostels (including three for girls).

Academic Support Services

1. Educational Counseling & Guidance Center

The students take educational course without realizing their potential, abilities and skills. The students are provided guidance, counseling on the basis of scientific investigation to choose programs of studies suited to their genius. The students take course without realizing what vocation/occupation is best suited to them. Thus, there is a mismatch between what they choose and what they are best equipped for. This Center helps to minimize the mismatch and rush for disciplines that do not hold much promise for students' future.

2. Library

The Central Library of the University is a source of information for all graduate, as well as, post-graduate programs and also related material for research students. The Library contains 113439 books. (Book Bank and Government Publications), with providing the facility of online digital library linked with HEC, the Central Library consists of following sections:

I. Book Bank Section

As majority of students of this University, belong to poor families and cannot afford the purchase of expensive text books particularly on Science subjects. In order to facilitate such poor students, Higher Education Commission, Islamabad provided 10817 text books on different subjects through National Book Foundation under Book Bank Scheme. These are issued to the students on nominal charges for one academic session.

II. Reference Section

In order to raise the research potential reference work like Encyclopedias, Year Books, Hand books, Annual Reports, Atlases etc are made available for reference of students, teachers and research fellows of the University.

III. Internet Facility

Smart University Project

Shah Abdul Latif University, Khairpur provide the State of art Smart WiFi network service to its students. Students can use smart university services within university premises. As well as more than 35 other universities of Pakistan with same user ID and password under the Smart University Project

IV. Newspapers

Approximately 30 dailies are available at Central Library.

v. Library Timings

In order to provide more reading facilities to the students, faculty & research scholars, the Central Library remain opened for 12 hours from 8:00 A.M to 8:00 P.M on all the working days, during Semester examinations from 8:00 A.M to 10:00 P.M, as desired by the worthy Vice Chancellor.

3. Seminar Libraries

In addition to the Central Library every individual Institutes/Departments has a Seminar Library of its own with a sufficient number of books to suffice the needs of the teachers and the taught.

4. Sport Facilities

Adequate facilities are available at the University for various Games such as Cricket, Foot Ball, Hockey, Volley Ball, Shooting Ball, Table Tennis, Lawn Tennis, Badminton, Squash, Athletics, Kabbadi & Malh. INTRODUCTION

The Institute of English Language and Literature originally the Department of English (1989) was upgraded in 2014 as an Institute offering degrees in Language, Linguistics and Literature. It is one of the oldest and top-rated departments of the University. Since its inception the department played an important role in teaching of English compulsory to 28 departments/institutes of the University and then establishing its own specialization degree programmes in Language, Linguistics & Literature. The Institute is offering BS (Four years) in English Linguistics and Literature; M.A of two years duration in Linguistics and Literature and M.Phil/MS in Linguistics and Literature. These degree programs meet national requirements and standards. With 23 members of academic staff, the Institute teaches across the whole range of English Studies from English literature to modern Linguistics.

We try to provide students with stimulating and challenging environment in which they can develop their competence and skills in all areas of English Linguistics and Literature. Thus, the overall objective of the Institute is to enable students to acquire an advanced conceptual knowledge and technical skills in Linguistics, Literary, Cultural, Communicative, Critical, Creative, and Humanistic competence broad enough to make them succeed in diverse walks of practical life quite effectively and efficiently.

We provide intensive monitoring to our students both in and outside of the classroom in a wide variety of forums. Lectures, workshops, conferences, trainings and debates make up our calendar. We take pride in the fact that students here are taught with great care & love.

VISION

To be a world class centre of excellence in English Linguistics and Literature based on Production, Contribution, and Achievement par excellence in the field of English through Teaching and Research; and based on uncompromising Quality, Credibility, Competence and Character.

MISSION

Our Mission is to educate, enable, and empower students to achieve excellence, wellbeing, and success in life by imparting in them conceptual knowledge and technical skills in English Language, Linguistics, and Literature as well as the development of their personality and character through education and training in 21st century skills of problem solving, communication skills, imagination, creativity, and critical thinking.

Programs offered aim at:

- Enabling individuals to face with success the challenges of modern times
- Empowering students with critical thinking, analytical reasoning, communicative skills, emotional intelligence, 21st century skills of leadership and individual excellence
- Encouraging the learners to read and analyze critically a wide range of texts to orientate the learners to various traditions of writing and speech in English

INSTITUTE OF FOREIGN LANGUAGES (IFL)

INTRODUCTION

The Institute of Foreign Languages (IFL) was established in the year 2014. In the first phase the IFL offers certificate course and Diploma in Arabic, Persian, Turkish, Russian and Chinese languages. A good command of these languages will not only enhance opportunity of finding suitable positions/jobs, but also will also help to bring closer to the people and countries belonging to above languages.

Further, this will enable the learners to benefit from the advantages that knowledge of another language can bring in global economy, as well as, earning an additional academic qualification.

MISSION

To promote and provide facilities for the study of modern foreign languages.

Language Skills and Course Design

- Students wishing to develop proficiency across all the above languages skills: Reading, Writing, Listening, and Speaking.
- The course outlines have been designed for learners.
- The IFL will also focus on encouraging the students to learn the respective language and culture at the same time.

Eligibility

Those who have passed the Bachelor’s degree are eligible for admission. Admission will be on first-come-first served basis. Schedule Six-month Certificate Course and one year Diploma.

Conduct of Classes

Classes will be conducted three days a week

Tuition fee

Certificate Course:	Rs. 7,000 (Seven Thousand Only)
Diploma:	Rs. 15,000 (Fifteen Thousand Only)

SCHOOL OF LAW

INTRODUCTION

Mr. Manzoor Hussain Larik
Director (Incharge)

Shaheed Zulfiqar Ali Bhutto School of Law was established in 2011 & the classes of the first batch started in April 2012. This School is offering 5 year LLB Program and its Curriculum follows the standards prescribed by the HEC in consultation with the Pakistan Bar Council (PBC), a statutory body to regulate legal profession & legal education in Pakistan. There was no such institution in upper Sindh to offer 5 year LLB program.

This School is offering legal education to train students in all the important subjects of Law, legislative methodology & corporate related legal activities in the field of Information Technology.

SZAB School of Law is offering Masters Program in the field of legislative from academic session 2016. This highly significant academic step is motivated towards the provision of legal education for legal reforms in the context of globalization & the emerging global scenario. In other words this University is endeavoring to set up a program for legal education of International level. This program would offer excellent opportunities to legal professionals in the field of research.

The 5 year BA-LLB program combines BA & LLB degree in creative manner so as to insure greater value and consistency in the field of Law. Through this program students will obtained a professional degree best up on versatile & intellectually challenging academic training in various subjects of Law.

VISION:

- To provide policy making, skilled & legally trained Law interpreters to the different national institutions of Pakistan.
- To become a hub of research activities in the field of Law and human rights.

MISSION:

- To produce significant Lawyers, professionals Judges, Politicians, Solicitors equipped with virtues civic sense & sprit of duty to words the people & respect for the fundamental rights of other fellow human beings.

INSTITUTE OF BUSINESS ADMINISTRATION

INTRODUCTION

Prof. Dr. Minhoon Khan Laghari
Director

The Department of Business Administration has been upgraded in to the Institute of Business Administration by the Academic Council in the year 2019. The Institute of Business Administration is offering BBA, BS Accounting and Finance (04 years) and MBA (3.5 years & MBA 1.5 Years) Programs.

The values of Institute of Business Administration in terms of services, operations and resources have been unique. All regular faculty members of Institute of Business Administration are PhD holders (Indigenous as well as foreign qualified) and perform extremely well in their relevant specialization like Marketing, Banking & Finance,

Human Resource Management and Organizational Behavior. They impart their expertise to students in teaching methodology, research direction and how to hunt jobs and scholarships. Corporate executives are also invited as guest speakers to conduct seminars on different topics. They share professional experiences that enable students to meet the challenges of 21st century and to make them the valuable members of the society.

Shah Abdul Latif University is focusing to strengthen the infrastructure of Institute of Business Administration like wider class rooms with multimedia built-in, seminar library, computer lab with internet & digital access service and subsidized transport facilities are in access to students.

The graduates of Business Administration have an admirable internship and employment record in public and private organization of Pakistan.

VISION

Our vision is to be the one of the top most Business Schools of Higher Education of Pakistan.

MISSION

Our Mission is to promote the merit, quality and excellence in education on an affordable cost in the field of Finance, Marketing, Banking and Human Resource Management, through quality and advance teaching methods. Our mission is to invigorate the faculty and the students with the entrepreneurial spirit. Continuous innovation and change is our motto.

DEPARTMENT OF BIOCHEMISTRY

INTRODUCTION

Prof. Dr. Muhammad Hassan Khaskheli,
Chairman

Biochemistry plays a major role for the betterment of human beings, animals and plants. Biochemistry course will give grounding in a subject that forms the basis of virtually all of the biological sciences. Department of Biochemistry is dedicated to teach biochemistry in a stimulating environment and provides opportunity to learn and perform experiments. Students perform experiments and motivated for research. The Master courses in biochemistry were started in 1996 in Department of Chemistry. Biochemistry department is functioning as full-fledged department since 2004. Presently students are enrolled in different courses for the degree of B.S (4 Year Program), M. Sc Pass, M.S/M.Phil and Ph.D. The minor courses of biochemistry are also taught in other departments such as Microbiology, Botany, Zoology and Chemistry.

VISION

To achieve these goals, all students enrolled in our programs are expected to:

- Increase awareness of the universe at the bimolecular level.
- Understand biochemical behavior of matter and its role in life.
- Prepare for careers in biochemistry and related fields.
- Develop skills including ability to think logically, evaluate the experimental data critically and draw the fruitful results.
- Learn personality development skills for organization and time management in life.
- Develop strong academic background for better performance and give solution to the problems of the field.
- Develop knowledge how to setup and operate scientific equipment used in the study of biochemistry and advance research.

MISSION

To make graduates ready to face the professional challenges of the modern world and seek golden careers

DEPARTMENT OF BOTANY

INTRODUCTION

The Department of Botany is one of the major disciplines in the faculty of Natural Sciences. Although it was started with very limited number of faculty members in the year **1980**, it has now **7 (Seven)** highly qualified faculty, mostly trained and educated abroad. At the start, the Department was primarily engaged in teaching however; the research was carried out only on a limited scale. With the passage of time, when the Campus became full-fledged University in the year **1987**, the research activities of the Department increased, the faculty has produced more than **12 PhDs** and about **37 MPhil/MS** scholars. A number of students are registered for both higher degrees and their final degrees are under process. The department has two major components, **Date Palm Research Institute (DPRI)** and **Center for Biodiversity & Conservation (CBC)**, including **Botanical Garden** and **Herbarium**.

VISION

To be a progressive Department that serves as a national center in Applied Research of Plant Sciences, by training graduates who would be leaders in Botanical education and research and will further contribute to social development, preservation of an Eco-friendly environment and the economy of Pakistan.

MISSION

To produce erudite scientists in the field of Botany, who render their services with a sense of dedication, motivation and hard work for strengthening the quality culture of life sciences in country.

SEMINAR LIBRARY

In addition to the central library of the university, the department has a well established seminar library with reading and reference sections, it consisting 1800 Books for references on various disciplines of Botany and other relevant subjects for undergraduate students, research scholars and teachers. In the current year, a number of advanced books have been added; in addition to these, there are four research journals, (Mycopaht, Pakistan Journal of Botany, Hamdard Medicus and Journal of Applied Sciences) of various universities and organizations are also available. Recently Internet facility along with LED HD Television has been placed in the department for updated research advancement all over the world for postgraduate research scholars.

INSTITUTE OF CHEMISTRY

INTRODUCTION

Prof. Dr. Ahmeduddin Rajper
Director

The Institute of Chemistry is one of the largest and 2nd oldest disciplines catering state of the art education in chemical sciences. The Institute of chemistry has played vital role as nucleus among all disciplines of sciences particularly in biological/chemical sciences. The previous triumphs of chemistry include the synthesis of pharmaceuticals and agricultural products, while current challenges include chemical memory, solar cells, superconductors, clean fuels, batteries, and the solution of numerous important problems relating to health and the environment. Understanding of Chemistry is significant and substantial in today's era of constant scientific discovery which is shaped by revolutionary new technologies. The chemical sciences are essential to overcome the global problems of today's world which covers all the branches of Chemistry.

The institute of chemistry is setting up its graduates who can meet the challenges of corporate sector around the globe.

We are proud to mention our graduates are serving on the leading positions in pharmaceutical industries, atomic energy commission, health and environmental

agencies, power sector, polymer and plastic industries, sugar industries, academic and research positions in national and international organizations.

The Institute aims at producing professionals with strong background of theoretical and practical chemistry at graduate and post graduate level. It strives to produce graduates who can contribute and upgrade existing technological activities in the country and their professional brilliance is inseparable from commitment to the national goals.

Besides Organic, In-organic, Physical Chemistry and Analytical Chemistry, the Institute is planning to start two more disciplines i-e Applied Chemistry and Environmental Chemistry, for which syllabus has been prepared and approved.

In every academic year 45 students are registered in MS/M.Phil and 20 students in Ph.D. program. More than 130 students have completed their research work and have been awarded MS/M.Phil degrees and rests of them are engaged in their research and thesis writing. Similarly good numbers of Ph.D students are at the final stage of completion of degree

VISION

The Institute of Chemistry envisions that amalgam of knowledge and modern technology in education, not only enhance the academic advancement but also pave an orientation to the applied research that can benefit the national and international community.

MISSION

Institute of Chemistry is committed to produce knowledgeable graduates having necessary skills to seek meaningful careers in various fields of interest.

INSTITUTE OF MICROBIOLOGY

INTRODUCTION

Prof. Dr. Pir Bux Ghumro
Director

I am pleased to welcome you in the Institute of Microbiology. Since its inception with the whole hearted efforts of our faculty members, staff members, students, and researchers, the Institute of Microbiology has constantly remained amaranth Institute of this university. It has unique appearance in history as grows along with university. Institute has 09 renowned research oriented Ph.D faculty members out of 12.

The Institute carries out the fundamental microbiology courses, advanced microbiology courses and multi-disciplinary research programs for the graduate and post graduate students especially in human health and its clinical aspects. More than 120 postgraduate fellows are registered and pursuing for research training in multidisciplinary fields of microbiology. Our Institute also provides the diverse and extensive research programs including Microbial Pathogenesis, Human Health, Microbial Enzymology, Environmental Microbiology, Genetic engineering, Bioinformatics, Epidemiology, Proteomics, Microbial Diversity, Ecology, Modern Biotechnology and so on so forth.

Laboratories in the Institute are well equipped for practical based learning. We take great pride in launching our trainees into successful and productive mainstream careers who are serving in various capacities at different private and public sector of the country and abroad.

This institute has prominent role in the development & growth of the university as it produces number of M.Phil & Ph.D. scholars each year.

VISION

To disseminate information and knowledge in all the fields of Microbiology at Regional, National, and International Level

MISSION

The institute has four primary goals:

- To promote quality education and research in microbiology.
- To produce graduates at the Bachelors, Masters and Doctorates degree levels.
- To produce quality research in the fields of Microbiology and Microbial technology.
- To serve the general public through awareness and training programs or other means.

DEPARTMENT OF PHARMACY

INTRODUCTION

Dr. Abdul Sami Shaikh
Chairman

The Department is offering a five-year **Doctor of Pharmacy (Pharm.D) Program**, which is recognized by the **Higher Education Commission** of Pakistan and is accredited by the **Pharmacy Council of Pakistan**. It was established in 2010 and holds a significant position. It is the first ever national level-public sector institute of pharmaceutical sciences in the Upper Sindh with a proclaimed objective of becoming a center of excellence for advanced studies and research in all fields of pharmaceutical sciences, including the clinical aspect of the profession.

The Pharmacy Program prides itself in developing highly qualified independent practitioners able to provide patient-centered care in various environments. After completing this program, pharmacists will be capable of conducting their practice with a high level of maturity and leadership and be able to perform practice-related projects.

VISION

To be recognized nationally and internationally as a leader in Pharmacy education and research that focuses on appropriate use of and access to pharmaceuticals and medical devices, as well as cost-effective provision and delivery of pharmaceutical care.

MISSION

To prepare pharmacists to provide optimal pharmaceutical care, and to prepare graduate and postgraduate students for leadership in teaching, research, practice and service. The Department faculty generates and disseminates knowledge to promote safe, clinically effective, and cost-efficient use of medications.

DEPARTMENT OF ZOOLOGY

INTRODUCTION

Dr. Abdul Manan Shaikh,
Chairman

The Department of Zoology was established in 2004, is a main department in Faculty of Natural Sciences. Since the establishment of the department, it emphasizes the biological literacy in teaching and outreach programs at BS level. Since 2006 the department offers M.Sc. program for the students of B.Sc. (Pass), besides this, department also offers the post-graduate research programs such as MS/M.Phil. and Ph.D. since 2011. Recently department of Zoology has started the BS program in Evening shift from the academic year 2019.

VISION

To raise the department as School of Animal Sciences, so that it may promote the discovery and learning at all levels of biological organization like Entomology, Endocrinology Parasitology, Genetics/Molecular Biology Wildlife Management, Fisheries, Genetic Engineering and Biotechnology etc.

MISSION

- To create an environment that enables teaching and research to attain high levels of excellence.
- To provide experimental management of animals for the betterment of humanity, biological control of insects and vertebrate pests.
- To produce innovative postgraduates in areas of Zoology including Entomology, Molecular Genetics, Molecular Biology, Parasitology, Fish technology and Wildlife Management, that contribute to the development for National and International scenarios.
- To initiate more research projects.
- To work in collaboration with national and international organizations in the field of life sciences.

PROGRAMS OFFERED

DEPARTMENT OF ARCHAEOLOGY

INTRODUCTION

Prof. Dr. Qasid Hussain Mallah
Chairman

In 1976, the Department of Archaeology became part of an academic institution now famously known as Shah Abdul Latif University Khairpur. During its infancy life of three decades, it has achieved its excellence in quality education and research consequently, this department is recognized as one of the leading departments nationally and internationally where higher degrees of BS, M.Sc., MS/M. Phil and Ph.D. are awarded under the supervision of Professors, who are well-qualified. The major focus of this department is to produce professionals with a higher degree of knowledge associated with Archaeology of Pakistan. The scholars and students have been given an opportunity and a place to meet and share the academic experience. The delegates around the globe visit and work collaborately in the field survey and excavation this department.

Pakistan in general and Sindh in particular is bestowed with a rich cultural heritage, which ranks high in the world. The whole country is replete with Archaeological Sites of different periods, ranging from Palaeolithic to Historic Period. There is a great need

to make the public aware of the rich Archaeological Heritage of Pakistan. Thousands of sites are being destroyed due to lack of Archaeological awareness by the Public and Private sector. In order to create this consciousness and produce trained manpower, who would Document, Record and Preserve the National Heritage in a better way.

VISION

The vision of the department of Archaeology is to have educational and professional excellence through courses offered, collaborative research projects and an all level professional interaction around the globe. This commitment can only be achieved when department will create dedicated professionals who may continue the set traditions of this particular department.

MISSION

Department of Archaeology is committed to promote quality education and produce skilled graduate in the field of Archaeology having excellent success in conserving, documenting and interpreting of cultural heritage with modern techniques for future generation.

DEPARTMENT OF COMPUTER SCIENCE

INTRODUCTION

Prof. Dr. Ghulam Ali Mallah
Chairman

The Department of Computer Science was established as a full-fledged department in 1999 with the goal to offer high quality degree programs that ensure that students will be able to integrate theory and practice recognize the importance of abstraction and appreciate the value of efficient design created to meet clearly developed requirements. The department intends to prepare students for lifelong learning as they undertake professional careers in computing. The department has always close ties to the other departments of Physical Sciences/Natural Sciences of the University, even has increasingly experienced collaborations with all other disciplines/faculties outside Pakistan important to the University. It is through these collaborations that the importance of Computer Science in a broader sense is best appreciated.

VISION

To become a center of excellence in computer science education and research.

MISSION

To produce computer science graduates to design and develop quality software solutions, be able to work successfully within challenging environments and will be good professionals.

GOALS

- To provide an understanding of the fundamental concept of computer science
- To enrich our students with different computing languages, tools, and techniques
- To make students capable of analysis, design, development, and evaluation of effective software systems
- To develop effective oral and written communication skills in students
- To prepare students for jobs/higher studies in computer science and related fields
- To make students effective member of society.

Incharge Chairman

The Department of Geography offers the Bachelor & Master's level courses in the discipline of Geography. The discipline has been opened to meet the long standing demands of the people of upper Sindh. The classes of BS (4 year) Program started from the academic year 2005-06 and M.A/M.Sc from the Year 2010. Department of Geography announced the admissions in MS/M.Phil in Geography started from the academic year 2020.

The subject of Geography provides wealth of information and advanced knowledge of the Earth's surface. It is meant to open further frontiers of knowledge for the students and to give an understanding and the preparation which may help them proceed further to acquire the present day knowledge of the concepts of Geographical Science.

The discipline of Geography deals with Physical Geography, Climatology, Hydrography, Geomorphology, Biogeography, the Geography of soils and Plants, Animals and Human Geography. Historically Geography is concerned primarily with the Human Geography of the past because so many of the present

spatial patterns owe much to earlier ones, remote sensing & GIS (Geographic Information System) are new market oriented disciplines in Geography various fields of Geography are proposed to be taught in the Syllabus of Bachelor of Studies BS (4-year) Program and M.A/M.Sc (Two years Program).

VISION

Create new vistas and impart knowledge and enhance awareness about the Earth as a living planet with reference to Man-environment Interaction and resulting Physical and Human phenomena amongst the Geography students.

MISSION

- To make Geography an integral part of education at all levels
- To enhance the quality of Geographical education for broader applications and implementation in all walks of life
- To make Geography effective for the enhancement of quality of environment and wellbeing of humanity
- To introduce new applied fields of Geography that can fulfill the requirements of the modern world
- To make Geographic research effective in our daily lives
- To broaden Geographic research areas and to effectively integrate it with national planning and development.
- To create insight appreciating current world affairs based on modern Geographic areas.

DEPARTMENT OF MATHEMATICS

INTRODUCTION

Dr. Hisam Uddin Shaikh
Chairman

The Department of Mathematics was established in 1987 and now is one of the fastest growing mathematics departments in the Pakistan. It has an excellent reputation, a strong, demanding program of undergraduate course work with international syllabi offerings and a great postgraduate M.S/MPhil/Ph.D. Mathematics, all in accordance with the Higher Education Commission of Pakistan (HEC) directives. The department of mathematics has committed faculty members keen for progress and eager to emerge in world mathematics scenario; in this effort every faculty member is busy with their international research collaborators in projects with numerous publications. The department of mathematics has sufficient faculty with varied research interests in applied and pure mathematics which cater about over 450+ full-time students in the undergraduate majors program and 50+ in postgraduate MS/M.Phil./ Ph.D. program. Department of Mathematics also offers its services to other departments of the university in the form of teaching mathematics subjects to various faculties and their respective departments ranging from applied algebra and calculus to decision makings of basic statistics and inferential statistics.

VISION

Mathematics develops computational, critical thinking, and problem solving skills. The theory and techniques taught in mathematics courses are especially important in today's competitive society. The faculty members of the department recognize and strive to ensure the students obtaining this knowledge. At the same time, the faculty contributes to the discipline by fundamental research in pure and applied mathematics.

MISSION

Department of Mathematics envisions ensuring that students will contribute to the society. Students can obtain abilities to critically assess numerical and graphical information; learn to formulate strategies for solving problems; and acknowledge the importance of being intellectually curious throughout their lives.

GOALS

Students/scholars who successfully complete the program should extent the resulting goals:

- Be able to apply problem solving and logical skills
- Have a deeper understanding of mathematical theories
- Have a solid knowledge of applications of Mathematics relates real life problems
- Be able to communicate mathematical/logical ideas in writing
- Be competent in computer programming and able to know mathematical packages
- Be familiar with several subfields of mathematics (e.g, numerical analysis, topology, operations research and CFD).
- Be exposed to undergraduate research or internship opportunities

PROGRAMS OFFERED

DEPARTMENT OF PHYSICS & ELECTRONICS

Prof. Dr. Farman Ali Mangi
Chairman

INTRODUCTION

The Department of Physics was established in the year 1988. It offers BS (Four-Year) Program, M.Sc. Degree course, MS/M.Phil and Ph.D. It also offers Physics courses as minor subject to the students doing BS (Four years program in the Department of Chemistry & Mathematics).

VISION

The Department of Physics & Electronics intends to offer courses in the new emerging disciplines such as communication system, Radio Physics, Electricity & Magnetism, Electronics, and Nuclear Physics etc. As this university belongs to the area of oil and Gas Fields, So department also intends to introduce Geo Physics to educate and train the students of this area to serve in these fields.

MISSION

- To create an environment that enables teaching and research to attain high levels of excellence.
- To promote experimental facilities in the department.
- To produce graduates at the Bachelors, Masters and PhD Doctors.

DEPARTMENT OF STATISTICS

INTRODUCTION

Mr. Niaz Ahmed Mari
Incharge

The Department of Statistics was established in 1976. Since then we are imparting best quality education in different courses of statistics. This department offers advanced courses in BS (Four Year) Program, M.Sc. Most recently we have introduced some new courses realizing the fact that the requirement of the statistical courses especially in various other fields is increasingly high. We have organized M.Phil & Ph.D. Programs in applied statistics.

Statistics is a rapidly evolving discipline with applications to wide variety of other scientific, management and engineering fields. In particular, modern computer technology facilitates the development of high-quality and computer-intensive statistical procedures and makes it possible to apply them to diverse statistical problems in the real world.

VISION

Our vision for the next five years is to strengthen our national and international reputation in collaborative scientific activity without compromising our core strength of excellence in statistical theory and methods. Other mandate is to serve as a center of excellence for statistical research and education across the campus, nationally and internationally.

MISSION

- Establishing the Statistical Survey Center for collaborative research and professional development of undergraduate and graduate students as well as faculty members.
- Launching of PGD (Statistics) program for non-statisticians.
- Supporting quality research and education in Statistical Sciences.
- Initiating a research journal of international level covering almost all the areas of Statistical Sciences.
- To establish Hi-Tech research laboratory for quality research in the field of statistics.

DEPARTMENT OF ECONOMICS

Prof. Dr. Fayaz Raza Chandio
Chairman

INTRODUCTION

The establishment of Department of Economics started with academic history of Shah Abdul Latif University, Khairpur since 1978. The department aims to offer educational opportunities to students in order to foster knowledge through quality research conducted by its faculty and convey that knowledge to the students through undergraduate and graduate programs. The department of Economics endeavors to achieve and excellence in research, teaching and services. The department focuses on producing quality Postgraduates program are also required to contribute in economic, industrial and social development of the country.

VISION

To develop outstanding economic, trade and business analysis programs with faculty that is recognized for excellence in research and teaching.

MISSION

To provide curricula that promotes analytical skills and enhances decision making abilities which develop students to become productive, skilled and sensible citizens.

INSTITUTE OF INTERNATIONAL RELATIONS

INTRODUCTION:

Dr. Liaquat Ali Chandio
Incharge Director

The history of the Department of International Relations is as old as the Shah Abdul Latif University Khairpur itself since the establishment in the year 1977. This Department has been imparting quality education to the youth of upper Sindh area of Pakistan. The Department of International Relations has made valuable contribution to the objectives of the teaching and learning of International relations in the society, due to which the Department of International Relations was included one more discipline of Peace and Conflict Studies (PCS) and to upgraded up the level of Institute.

Though the prism of Discipline of international Relations (IR) and Discipline of Peace and Conflict Studies (PCS), the students of Institute of International Relations look the world differently.

Theoretically this institute provides the verity of the knowledge of conservative, liberal and revolutionary world. Each one of these has the lens, through which the world looks different. At the same time these three perspectives can complement each other and the most of the theories draw on all three, but in different proportions.

Understanding International Relations (IR) and Peace and Conflict Studies (PCS) both requires descriptive and theoretical knowledge in post-cold war, new world order, international terrorism, insurgency, global power politics, dispute resolutions, growing number and increasing the role of non state actors, climate change and environment challenges have come on the agenda of Institute of International Relations, which have made it an unavoidable and an inevitable institute.

DEPARTMENT OF POLITICAL SCIENCE

Prof. Dr. Amir Ali Chandio
Chairman

INTRODUCTION

The Department of Political Science is the guiding light for the future of the coming generations of our beloved homeland and the international society. As far as the discipline of Political Science, Politics and the Political Philosophy is concerned it is the only one discipline which deals with how to make the present citizens and the future generations happy in this complex world of governments. Political Science intends for creating peaceful paths- moral and justified laws and theories- that help human being to run society in harmonious environment.

The faculty members of the department are committed rigorously to advance new knowledge, philosophy through introducing new subjects, like human rights, good governance and global politics.

As a Department, we are embarking on a new and exciting phase of the development, the ever-increasing intellectual exchange between our staff and students; between our scholars, the foreign and the guest intellectuals. The department is committed to promote multiculturalism through accepting all communities without any considerations of race, ethnicity, caste and religion.

VISION

To promote quality of scientific knowledge within very short period of time and to create an excellent academic institute

MISSION

The department of Political Science is committed to spread discipline among all the spheres of Social Science and serve the nation in its actual requirements for the future development.

DEPARTMENT OF SOCIOLOGY

INTRODUCTION

Dr. Santosh Kumar
Incharge

The Department of Sociology was established in 2006 with a vision to establish a centre for teaching and research in Sociology. The main motive behind the setup of this department was to equip the new generation with the modern knowledge of Sociology and encourage debate and interrogation about the relationships between economic, political, social, spatial and cultural change.

The Department of Sociology aims to provide a conducive teaching and learning environment. We are committed to establish the discipline in the region of northern Sindh. We welcome the best graduate students from all over Pakistan. They join a community of several other students who are benefitted by the experiences of national and international graduates.

VISION

To empower the new generation through modern techniques of Sociology so that they can live amicably and peacefully.

MISSION

- To prepare qualified human and professional recourse to be able to work in social policy formulation at the national and regional level.
- To prepare students for work in a diverse society and equip them with the knowledge and skills essential to success in institutions such as education, health, social welfare, housing, marketing and research.
- To prepare and implement the scientific research related to family problems, social policies, social work and applied sociology at the national and regional level.

DEPARTMENT OF PHYSICAL EDUCATION

INTRODUCTION

Dr. Imdad Hussain Sahito
Dean/Incharge

The department was established as “Department of Physical Education” in 2019 as no master degree awarding institute was present in interior Sindh and as a first step, a Master's degree program “Master of Physical Education” (M.P.Ed) two year degree program was introduced. The first batch of this degree program was admitted in 2019. Master in physical education two year degree program was introduced to provide skilled manpower in the field of Physical Education to cater the growing demand in secondary schools, colleges, universities and other national organizations. The department is equipped with required infrastructure of learning in the field of physical education including sports complex having indoor hall for badminton, table tennis, basketball, volleyball and ground for cricket and athletics.

In addition, a fitness centre is also available for fitness exercises for students, employees and officers in both morning and evening timings. This department will be flourishing day by day and would get recognition all over Pakistan when its students will attempt competitive examinations and in the job market of all Provinces and Federal Government. The department possesses a qualified and experienced faculty who are disseminating knowledge, skills and experience to their students.

Vision

The department of Physical Education envisions providing skilled candidates to meet the needs of Physical education in the each and every environment where it exists.

Mission

The department of Physical education is committed to produce trained graduates with all skills to seek meaningful opportunities in the field of Physical education and sports.

DIRECTORATE OF MEDIA AND PUBLIC RELATIONS

Prof. Dr. Taj Muhammad Lashari
Director Media & Public Relations

INTRODUCTION

The century we live in, is the century of media. With fast growing technology, the media has also witnessed greater changes in its scope. The success of any Institute depends upon the media coverage, as without the news in media, the events go unnoticed and lose their significance. At Shah Abdul Latif University, Khairpur, this sensitive and onerous responsibility of media coverage, documentation of the news, photo records of the events and their wide publicity is taken by a vibrant, active and vigilant team working as Media Section.

Though currently restricted to a single room, this section covers each and every event, official visit, research and academic activity covering the entire campus. At the reach of this section is every faculty and every activity of Administration Block. As the mouthpiece of the University, the responsibility of Media Section is not restricted to coverage of the news alone; this section also brings out SALUNI Newsletter, plays vital role in publication of every documents of the University ranging from Prospectus to Annual Reports etc.

Media Section also highlights students' participation in curricular and co-curricular activities. It is the section, usually referred by the students, parents, journalists and public for authentication of information, confirmation of dates and official point of view of the University. Thus, Media Section of Shah Abdul Latif University, Khairpur is not limited to news alone, it has become an information desk of the University and highly visited section of the University by the students and faculty alike. All this have been possible with the kind and benign patronage of the Vice Chancellor who allows this section to work independently and with ease. The section also actively covers social media through Facebook Page and WhatsApp.

Vision of Media Section

Our vision is to be the mouthpiece of the University by highlighting all the leading events, occasions, visits and academic as well as research activities to the print, electronic and social media to create soft, brighter and better image of the University with dedication, commitment and sincerity.

Aims & Objectives

- 1) To be the mouthpiece of the University.
- 2) To give proper media coverage to all the events, occasions, visits, research as well as academic activities
- 3) To create soft, brighter and better image of the University through print, electronic and social media.
- 4) To keep and maintain the record of all the events.
- 5) To keep vigilant eye on every news regarding the University and defend the University (in case of any false news published against the University).
- 6) To represent the University at various platforms.
- 7) To promote the aims and objectives of the University through media coverage.
- 8) To advance the academic excellence of the University through print, electronic and social media to garner public support and appreciation.
