

# SHAH ABDUL LATIF UNIVERSITY, KHAIRPUR

## ANNUAL REPORT

2023-2024

Muhammad Kamran Khan  
Tessori  
Governor of Sindh

Syed Murad Ali Shah  
Chief Minister of Sindh

Muhammad Ali Malkani

Pro-Chancellor

Minister of Universities and Boards

Dr. Muhammad Yousuf Khushk  
(Meritorious Professor)

Vice Chancellor

**Prof. Dr. Chandan Lal Rohra**  
Pro-Vice Chancellor (Shahdadtown Campus)

**Prof. Dr. Syed Maqsood Zia**  
Pro-Vice Chancellor (Ghotki Campus)

**Prof. Dr. Ghulam Mustafa Mashori**  
Dean Faculty of Arts & Languages  
Convener

**Prof. Dr. Irum Rani**  
Director QEC  
Member

**Prof. Dr. Riaz Ahmed  
Shaikh**  
Institute of Computer  
Science  
Member

**Muhammad Hassan  
Halepoto**  
Registrar, SALU  
Member

**Mr. Halar Ali Malik**  
Assistant Director QEC  
Secretary

**Mr. Sumair Ahmed**  
Data Analyst QEC  
Composer

**Mr. Sameeullah**  
Data Analyst QEC  
Composer

# Executive Summary

Since the inception of the university, it has worked wonders to provide quality education to the underprivileged classes of the society. Moreover, professional commitments, honesty of purpose, quality teaching and research culture have been the distinct features of this great temple of learning.

This is a unique time to appreciate the efforts of all who contributed to this endeavor towards the journey of success. This university has great significance because of its geo location is very important since the university is the hub of three provinces. Khairpur city has historical record; it remained the princely state of Mir's.

The Annual Report of 2023-24 in your hand contains the progress reports of the curricular co-curricular and extracurricular activities carried out by the university. In this globalization era, the challenge for institutions of Higher Education is to develop human capital for achieving Socio-Economic progress by providing quality education to all. The University is striving ahead with its agenda of quality and equity.

I take this opportunity to thank all former and present faculty members, officials, members of the various statutory bodies and all dignitaries who have served the University diligently and contributed to accomplish the targets set forth by Shah Abdul Latif University, Khairpur.

# About University

In 1974-75 the University of Sindh with its solitary campus in Jamshoro, could not keep pace with the growing need of the Sindh Province for higher education. Another campus was therefore set up at Khairpur Mir's named after the great international poet of Sindh, Shah Abdul Latif Bhittai. The campus was meant to provide higher education facilities in various modern and scientific fields to the people in the northern part of the Province of Sindh, which had a rich tradition of producing highly educated and intelligent people. On 16th March, 1986, the Sindh provincial assembly passed an act to make the campus a full-fledged and independent university. The act came into force in 1987, making the university functional, under then Chief Minister.

This campus covers an area of 307 acres of lush green lawns, playgrounds and trees. The landscape includes three canals nearby which serve as picnic spots for the students and the faculty. Shah Abdul Latif University, Khairpur is located in the heartland of Upper Sindh, i.e. Khairpur, a former state that joined Pakistan in 1955. The main campus is located near National Highway and is easily reachable by Air, Railway & Bus services. The Sukkur Airport, is one of the biggest Airports of Upper Sindh, is on half an hour drive and Khairpur Railway station is 5 km away from the main campus.

The beauty of Shah Abdul Latif University, Khairpur lies in the fact that it is surrounded by famous Archaeological Sites: Mohen -jo- Daro, KotDiji fort, Rohri Hills, Nara Desert, religious shrines of Sadhu Bello, Shrine of Hazrat Sachal Sarmast, barrages and bridges (Lloyds Barrage and Lanes Down) and Oil & Gas Fields (OMV, Sawan Field & Kadan Wari).

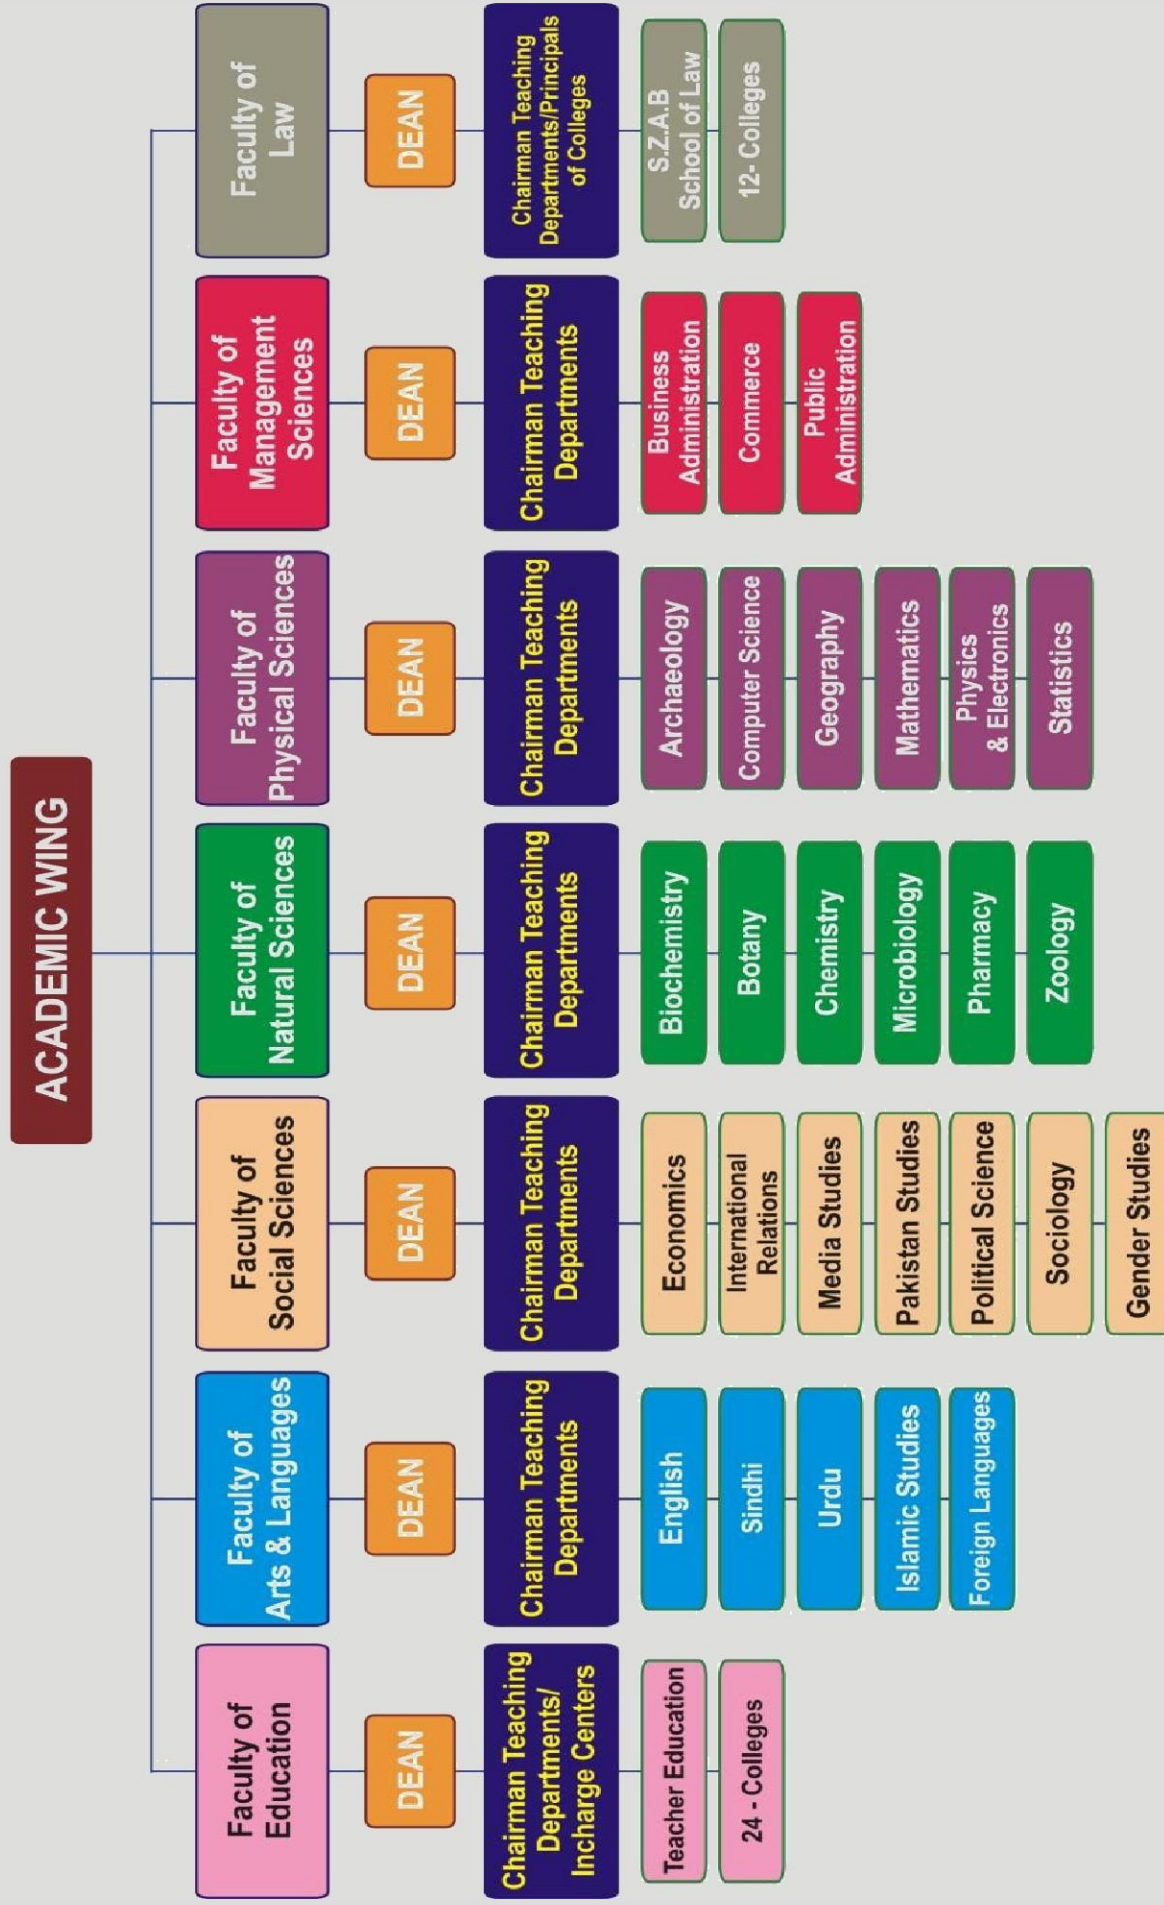

In an effort to expand educational access, Shah Abdul Latif University (SALU) has established two additional campuses in Ghotki and Shahdadkot. These campuses are strategically located to serve the vast and often underdeveloped rural regions of Sindh, with a particular focus on providing educational opportunities to students, especially female students, who face significant challenges in accessing higher education due to the long distance from the main campus. By bringing quality education closer to these communities, SALU is playing a crucial role in empowering the youth of these regions, fostering academic growth, and promoting gender equality in education. This initiative reflects the university's commitment to addressing regional disparities and supporting the advancement of underserved populations.

# ACADEMIC ACTIVITIES

Item 2 Item 3 Item 4

## ACADEMIC ACTIVITIES

The University has seven faculties which offer undergraduate and postgraduate degree programs in the fields of Natural Sciences, Physical Sciences, Social Sciences, Arts & Languages, Management Sciences, Law and Education. The University is striving hard to cope with the requirements of trained manpower in all these fields, keeping in view the quality as well as the quantity of professionals.

### 1.1. Faculty:

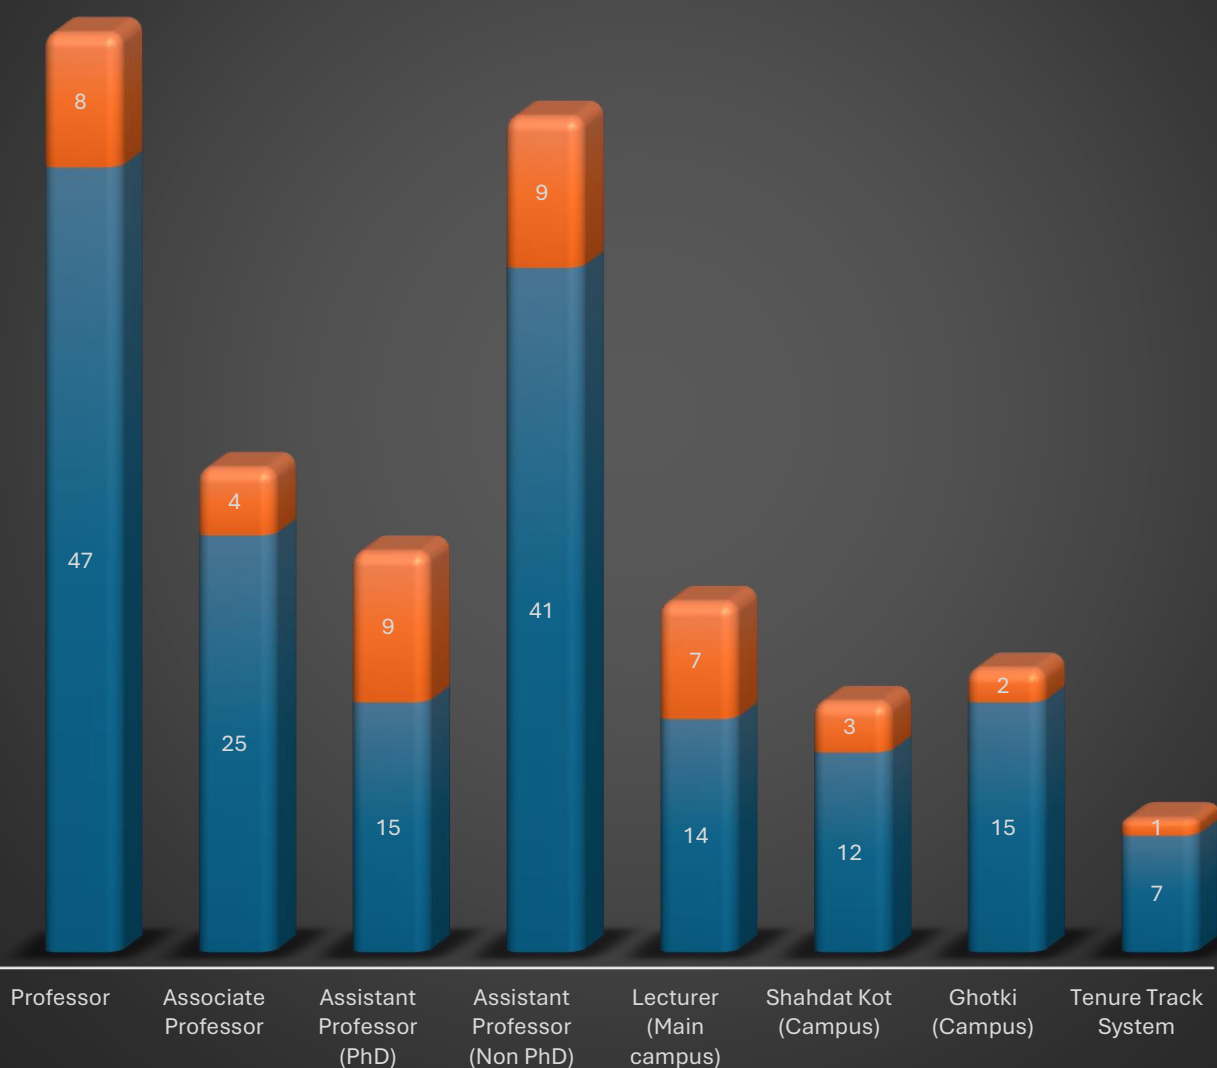

The number of total faculty members working in main campus, Shahdad Kot Campus, Ghotki Campus Shah Abdul Latif University Khairpur is as under

S. No:	Designation	Male	Female	Total
01	Professor	47	08	55
02	Associate Professor	25	04	29
03	Assistant Professor (PhD)	15	09	24
04	Assistant Professor (Non-PhD)	41	09	50
05	Lecturer (Main campus)	14	07	21
06	Shahdad Kot (Campus)	12	03	15

## PRE-ENTRY TEST-2023, SECOND PHASE HELD

The Pre-Entry Test-2023 of Second Phase for admissions in various Institutes and Department for Bachelor and B.S Part-III Programs was held at Shah Abdul Latif University, Khairpur Main Campus and Ghotki Campus. Vice Chancellor visited the venue of the test. The Vice Chancellor appreciated the various committees for the successful conduct of entry test. 1350 candidates appeared in the test at Main Campus while more than fifty candidates appeared in the test at Ghotki Campus. Prof. Dr. Syed Maqsood Zia Shah, Pro-Vice Chancellor Ghotki Campus visited the venue of the test.

Prof. Dr. Khalil Ahmed Ibupoto, Vice Chancellor, Shah Abdul Latif University, Khairpur visits the

## SHAH ABDUL LATIF UNIVERSITY KHAIRPUR SUCCESSFULLY CONDUCTS MS/MPHIL AND PHD ADMISSION TESTS AND INTERVIEWS

Shah Abdul Latif University (SALU), Khairpur, conducted its MS/MPhil and PhD admission tests and interviews across various departments today. The examinations were held in a peaceful and orderly environment, ensuring a smooth process for all candidates. Prof. Dr. Ghulam Mustafa Mashori, Registrar Nazir Ahmed Mangnejo, and Director of Postgraduate Studies Dr. Naveed Shaikh visited several test venues to oversee the arrangements and ensure the integrity of the examination process. Their visit underscored the university's commitment to maintaining high standards in its academic procedures. During their inspection, the university officials expressed their satisfaction with the organization and execution of the tests. Prof. Dr. Mashori commended the efforts of the faculty and administrative staff for their diligent preparation and seamless coordination, which contributed significantly to the event's success. "The successful conduct of these admission tests is a testament to our university's dedication to providing a fair and transparent selection process for our postgraduate programs," said Registrar Nazir Ahmed Mangnejo. "We are committed to fostering an environment conducive to academic excellence and integrity." Shah Abdul Latif University continues to uphold its mission of providing quality education and facilitating advanced research opportunities, thereby contributing to the intellectual and socio-economic development of the region.

# RESEARCH & DEVELOPMENT

## MISSION

The Mission of ORIC-SALU is to develop, expand, enhance, and manage the University research programs and to link research activities directly to the educational, social, and economic priorities of the University and its broader community. ORIC is also responsible for assuring that the quality of research reflects the highest international standards and advances the stature of the University among the world's best institutions.

## Vision

To contribute community Nationally and Internationally by achieving excellence in Research, Innovation, and commercialization

## RESEARCH & DEVELOPMENT

### 2.1: RESEARCH & DEVELOPMENT: AN OVERVIEW

Knowledge based economy is the most important pillar for a nation's growth and height. In view of the importance of knowledge based economy MISSION of **OFFICE OF RESEARCH, INNOVATION AND COMMERCIALIZATION (ORIC)** is to develop, expand, enhance, and manage the University research programs and to link research activities directly to the educational, social and economic priorities of the University and its broader community strives always to encourage the members of academic staff to promote research activities within the University, to advise and help in planning and preparing research projects, to provide facilities for the running projects, to recommend financial aids for new projects on the advice of Research Committee.

The Directorate is always in contact with various local and overseas funding agencies to get research grants for projects of national interest. Keeping in view of the regional and community level issues, research areas and themes shall be identified and thus faculty should target their research towards those local issues as a priority and national issues otherwise. It also tries to develop collaboration with various research organizations to establish joint research projects. Apart from that it organizes research seminar lectures of research fellows working for MPhil and PhD degrees as well as invites eminent scholars to give lectures.

#### **MISSION**

The Mission of ORIC-SALU is to develop, expand, enhance, and manage the University research programs and to link research activities directly to the educational, social, and economic priorities of the University and its broader community. ORIC is also responsible for assuring that the quality of research reflects the highest international standards and advances the stature of the University among the world's best institutions.

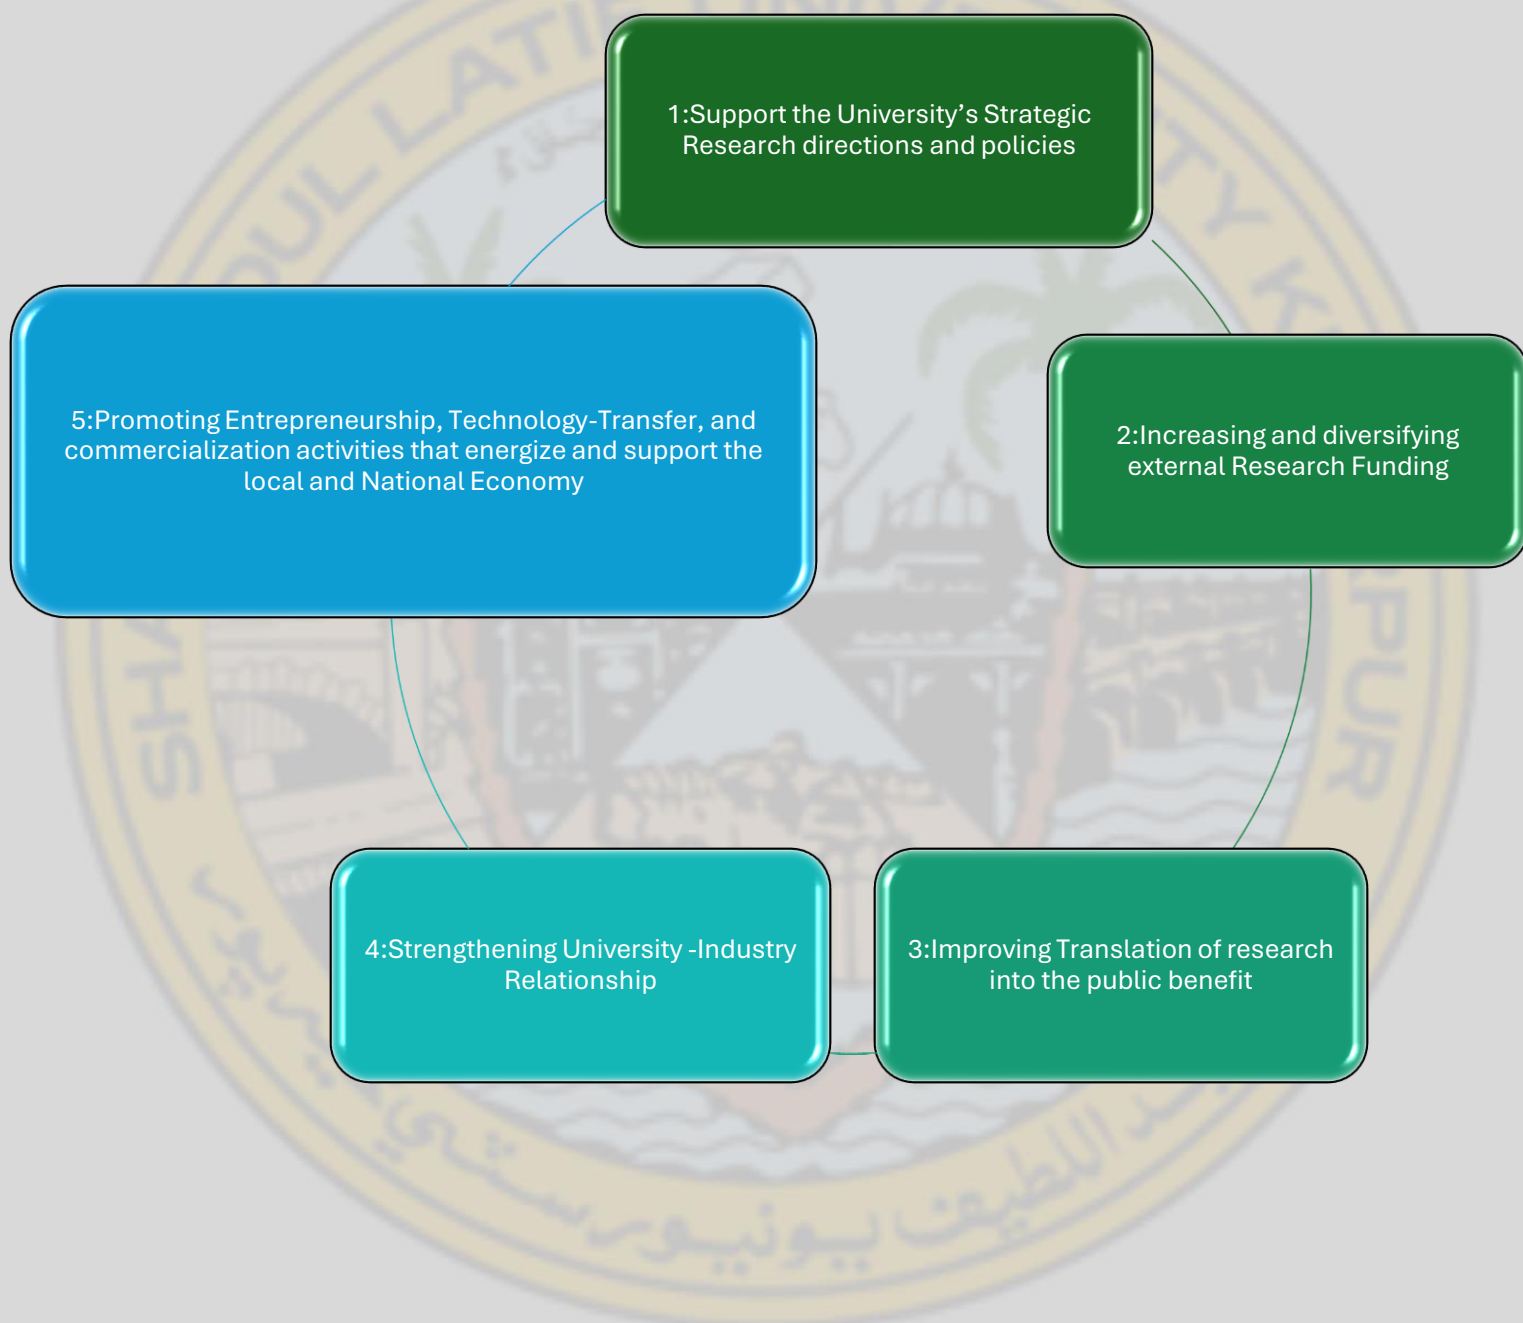

#### **VISION**

To contribute community Nationally and Internationally by achieving excellence in Research, Innovation, and commercialization

#### **OBJECTIVES**

The Office for Research seeks to enhance the environment for all research, innovation, and collaboration by:

## 2.2. RESEARCH GRANTS WON BY FACULTY MEMBERS FORM SINDH RESEARCH SUPPORT PROGRAM (SRSP) OF SINDH HEC

RESEARCH GRANTS WON BY FACULTY MEMBERS FORM SINDH RESEARCH SUPPORT PROGRAM (SRSP) OF SINDH HEC					
Sr#	Proposal No.	Principal Investigation	Thematic Area	Title of Research Project	50% Amount Approved
1	32/223	Prof. Dr. Samina Rajper Professor SALU, Khairpur	Information Technology and Computer Science	Design and Development Deep Learning Situation Analysis Model to identify the intensity of floods	1,335,000
2	37/40	Dr. Benazir Assistant Professor SALU, Khairpur	Management Science and Technology	Impact of BBSYD Trainings of Youth Development in Flood Affected Areas of Sindh	532,500
3	52/219	Dr.Kamal Hussain Assistant Professor SALU, Khairpur	Natural & Physical Sciences	Forest cover change assessment using remote sensing and GIS in Sindh, Pakistan	1,200,000
4	59/1	Dr.Noor Hussain Chairman Department of Geography SALU, Khairpur	Natural & Physical Sciences	Unravelling the Obstacle: Hindrances Affecting the Natural Flow of the Indus River	1,125,000
5	65/35	Dr.Qamar Abbas Mangi Assistant Professor SALU, Khairpur	Social Sciences	Unleashing the potential of women entrepreneurs in floods effected areas of Sindh	1,121,500

## 2.3 PROJECTS COMPLETED BY FACULTY DURING 2023-24

Title of Project	Principal Investigator	Funding Agency	National/International	Date of Approval	Approved Amount
Green Microfinance: A validating pattern for women development and sustainability	Prof. Dr. Irum Rani	HEC	National	07-06-2022	Rs.2992500/=
Analysis of arsenic from drinking water of Kashmore and Ghotki districts and the methods for its removal	Prof. Dr. Gul Afsha	HEC	National	02-01-2022	Rs.4783800/=
A novel environmental friendly rapid method development for metal ions determinations in micellar media	Prof. Dr. Ghulam Abbas Shar	HEC	National	08-12-2020	Rs.11770242/=
Forgery detection in Medical images: A case of Covid 19 using Convolutional Neural Network	Prof.Dr. Noor Ahmed Shaikh	Sindh HEC	National	09-03-2021	Rs.2000000/=

<b>Establishment of DNA fingerprinting facility at Date palm Research Institute</b>	Prof. Dr. Ameer Ahmed Mirbahar	Sindh HEC	National	09-03-2021	Rs.2000000/=
<b>Genome wide Identification phylogeny and pharmacological analysis of date palm cyclic nucleotide-gated ion channel(CNGC gene family in plant disease resistance</b>	Prof. Dr. Mumtaz Ali Saand	Sindh HEC	National	09-03-2021	Rs.1800000/=

## 2.4: PUBLICATIONS

S.NO	Name of Researcher	Title of Research Publication	Name of the Journal	Year of Publication
1	Abdul Majid A	Thymus Linearis Extracts Ameliorate Indices of Metabolic syndrome in Sprague Dawley Rats	Oxidative Medicine and Cellular Longevity	2023

## 2.5 CONFERENCES

### INTERNATIONAL GEOGRAPHY CONFERENCE STARTS

Prof. Dr. Khalil Ahmed Ibupoto, Vice Chancellor, Shah Abdul Latif University, Khairpur, Prof. Dr. Amanat Ali Jalbani, Vice Chancellor, Shaheed Benazir Bhutto University, Shaheed Benazirabad Prof. Dr. Zahid Hussain Khand, Vice Chancellor, Aror University of Art, Architecture, Design and Heritage, Sukkur, Prof. Dr. Ashfaque Ahmed from Karabuk University of Türkiye, Prof. Dr. Qasid Hussain Mallah, Dean Faculty of Physical Sciences, Dr. Noor Hussain Chandio, Chairman Department of Geography, Prof. Dr. Naveed Ahmed Shaikh, Director Postgraduate Studies and others speak during the Inaugural Session of International Geography Conference held at Shah Abdul Latif University, Khairpur

A Three-Day Conference on “Climate Change, Water Scarcity and Future of Agriculture in Current Scenario: Suggesting the Way Forward for Sustainable Agriculture Growth” organized by the Department of Geography, Shah Abdul Latif University, Khairpur in collaboration with Sindh Higher Education Commission, National Bank of Pakistan and Office of the Research, Innovation & Commercialization (ORIC) starts today. Prof. Dr. Khalil Ahmed Ibupoto, Vice Chancellor, Shah Abdul Latif University, Khairpur presided over the inaugural session while Prof. Dr. Amanat Ali Jalbani, Vice Chancellor Shaheed Benazir Bhutto University, Shaheed

32

Benazirabad was the chief guest. Prof. Dr. Zahid Hussain Khand, Vice Chancellor, Aror University of Art, Architecture, Design and Heritage, Sukkur, and Dr. Safdar Ali Sheerazi, Professor Department of Geography, University of Punjab Lahore were the guests of the honor. Prof. Dr. Ashfaq Ahmed from Karabuk University of Türkiye was the keynote speaker. Talking to the participants, Prof. Dr. Khalil Ahmed Ibupoto said that climate change is a global phenomenon which has adversely affected the world community. It is the process of changes in the frequency and intensity of precipitation, heat waves and other extreme occurrences which impact on agriculture yield. It creates price hikes for many important agriculture crops, commodities, and varieties. Dr. Ibupoto said that mitigation strategies can be promoted include adopting renewable energy resources, wind and small hydro projects, sustainable transport such as electric vehicles encouraging biofuels and promoting more sustainable use of land for food security. Dr. Ibupoto also accorded his cordial thanks to all the national, international guests and Vice Chancellors of participating Universities.

He also appreciated the organizing committee of the conference, especially the unwavering efforts of Dr. Noor Hussain Chandio.

## CAPACITY BUILDING FOR STUDENTS AND FACULTY

Dated:06 June 2024

ORIC SALU remains committed to capacity building for students and faculty, fostering excellence in education and research." Congratulations to NAVTTC Shah Abdul Latif University Khairpur on successfully completing the assessment process for high-tech trades, including Advanced Web Applications, Games Development, and Mobile Applications Development (Batch 1, 2024). Eighty students registered and appeared in the assessment, demonstrating their hard work and dedication. This achievement is a significant milestone, and we wish the students the best of luck in their future endeavors. The next step will be international certification for the students. We wish them all the best.

## DIGITAL SKILL TRAINING PROGRAM LAUNCHED FOR FEMALE STUDENTS AT SHAH ABDUL LATIF UNIVERSITY

Dated: 20.03.2024

Under the visionary leadership of Prof. Dr. Samina Rajper, Director Office of Research, Innovation and Commercialization (ORIC) at Shah Abdul Latif University, Khairpur, a pioneering Digital Skill Training Program has been initiated for female students. In collaboration with @Sindh Education Foundation, @CyberVision International, and the @United Nations Development Project (UNDP), this program aims to equip female students with essential digital skills for success in today's rapidly evolving landscape.

The Digital Skill Training Program encompasses two core areas:

1. E-commerce
2. Web Application Development

During the orientation session held at the Shaheed Benazir Bhutto Chair Auditorium, attendees were enlightened about the manifold benefits of digital market participation and web application development. Emphasis was placed on how these skills can empower female students to generate substantial income from the comfort of their homes, thereby promoting financial independence and empowerment. The session resource persons, including Mr. Naval Waswani, Program Manager at UNDP, and Mr. Noman Memon, Trainer. Their insights into the transformative potential of digital literacy underscored the program's significance in fostering economic growth and gender equality. Session was attended by Dr. Shoukat Mahar, Assistant Manager Center for Entrepreneurship Development (CED), and Mr. Deep Rajput from ORIC and many shortlisted female students from Shah Abdul Latif University, Khairpur, highlighting their enthusiasm for embracing this unique learning opportunity. As the Digital Skill Training Program unfolds, it holds the promise of unlocking new avenues of innovation and economic prosperity for female students. With guidance from experienced mentors and support from esteemed partners, participants are poised to embark on a journey of skill acquisition and empowerment, shaping a brighter future for themselves and their communities.

## A ONE-DAY WORKSHOP

Dated: 03.10.2023

Director ORIC Shah Abdul Latif University Khairpur Prof. Dr. Samina Rajper Attended a one day workshop organized by ORIC MUET SZAB Campus Khairpur Mirs on “Industry Academia collaboration for Faculty development / Teachers in Service Program Industry 4.0” with the sub theme "Robotics & Automation, Application of IoT in Industrial Automation" in collaboration with Industry Relations Committee R10 & IEEE Karachi Section on Tuesday 3rd October 2023, 9am to 5pm at Video Conference Hall Library, MUET, SZAB Campus Khairpur Mir's. Also Participated in Panel Discussion among Industrial representatives and Academia representatives.

## THE ANNUAL SCIENCE EXPO-2023

Dated: 30-05-2023

The Annual Science Expo-2023 was organized by the Department of Physics & Electronics, Shah Abdul Latif University, Khairpur in collaboration with Office of the Research Innovation & Commercialization (ORIC) and Physics & Electronic Society. Prof. Dr. Khalil Ahmed Ibupoto, Vice Chancellor, Shah Abdul Latif University, Khairpur, Prof. Dr. Rasool Bux Mahar, Vice Chancellor Banazir Bhutto Shaheed University of Technology & Skill Development, Khairpur, Prof. Dr. Tehmina Mangan, Vice Chancellor, Begum Nusrat Bhutto Women University, Sukkur, Mr. Zafar Abbas Abbasi, Additional Deputy Commissioner-II, Khairpur and Prof. Dr. Syed Ali Raza Shah, Principal, Khairpur Agriculture Engineering College, Khairpur jointly inaugurated the Expo. Different projects were showcased i.e. Anti Sleep Alarm for Safe Driving, Smart Hand Glove for Deaf and Dumb, Wind Turbine f Energy, Train Danger Alert & Safety System, Air Ambulance/Drone for Flood Affected People, Gas Leakages Detector System, Radio Frequency Identification (RFID) & Password Lock System Arduino Nano and Multipurpose Military Robot etc. Mr. Asif Rind from Department of Physics & Electronic, SALU, Khairpur, and his team secured first position, Mr. Faraz Ali and his team

from Mehran University of Engineering & Technology Khairpur Campus and Mr. Ali Raza and his team from BBSUTSD, Khairpur got second and Mr. Sanjay Kumar and his team from Department of Physics & Electronic, SALU, Khairpur clinched third position. Rs. 10,000, Rs. 7,000 and Rs. 5,000 were awarded to first, second and third positions respectively. Prof. Dr. Samina Rajper, Director ORIC accorded vote of thanks to the participants. She said we have also involved the local Universities of the area to strengthen the academic ties between the academia and students. Dr. Ali Raza Lashari, Incharge Students Societies Centre conducted the proceedings of the event. Prof. Dr. Taj Muhammad Lashari, Prof. Dr. Ami Hussain Shar, Prof. Dr. Abdul Hussain Shar, Prof. Dr. Khalida Mahar, Prof. Dr. Deedar Jamro, Prof. Dr. Liaquat Ali Chandio, Prof. Dr. Ali Dino Jumani, Prof. Dr. Tajnees Pirzada, Dr. Zubeda Bhatti, Prof. Gulzar Ahmed Khoso, Mr. Aijaz Ahmed Shaikh, Mr. Ishrat Ali Mirani, Mr. Mureed Hussain Ibupoto, Mr. Zohaib Shafqat Memon, Mr. Deep Rajput, Mr. Hamadullah Maitlo and others attended the expo.

# QUALITY ENHANCEMENT CELL (QEC)

42

## 3.QUALITY ASSURANCE

### **3.1 Impact of Quality Assurance in the University**

The Quality Enhancement Cell (QEC) of Shah Abdul Latif University, Khairpur is determined to improve the quality of education in the University through implementing standards of Quality Assurance Agency QAA), Higher Education Commission Pakistan.

QEC is responsible to develop procedures for the following:

- Approval of new programs
- Feedback survey (teacher evaluation, course evaluation /students' evaluation / graduating students survey
- Institutional assessment
- Program specifications
- Qualification framework
- Self-Assessment reports (SAR) of all programs
- MS/PhD Program Reviews
- National & International Memberships & Rankings.

## SHAH ABDUL LATIF UNIVERSITY RAISES HEATSTROKE AWARENESS WITH LECTURE PROGRAM

**Dated: -16-05-2024**

In a proactive initiative to raise awareness about the dangers of heatstroke, the Directorate of Students Affairs at Shah Abdul Latif University organized a comprehensive Lecture Program at the Students Service Centre. The event aimed to educate students and faculty members about the preventive measures and necessary actions to combat heat-related illnesses, especially in

the scorching summer months. Distinguished speakers including Professor Dr. Masiullah Jatoi, Director of Students Affairs, Professor Dr. Noor Hussain Chandio, Chairman of the Department of Geography, and Dr. Shaista Pathan shared their expertise on the topic, enlightening the audience with valuable insights and practical advice. Professor Dr. Masiullah Jatoi, in his address, underscored the importance of proactive measures in preventing heat-related illnesses, particularly in regions prone to extreme temperatures

like Khairpur. He emphasized the significance of staying hydrated, wearing appropriate clothing, and recognizing the early signs of heatstroke to mitigate its effects. Professor Dr. Noor Hussain Chandio, known for his research in environmental studies, shed light on the geographical factors contributing to heatwaves and their impact on human health. He stressed the need for sustainable urban planning and green initiatives to combat rising temperatures and mitigate the risk of heat-related illnesses in urban areas. Dr. Shaista Pathan provided invaluable medical insights into the symptoms, treatment, and prevention of heatstroke. The Lecture Program proved to be a timely and informative initiative, equipping attendees with the knowledge and tools to safeguard themselves and others from the perils of heatstroke. SWO Syed Waqar Hussain Shah conducted the proceedings of the lecture program.

## LITERARY SOCIETY IELL, SALU KHAIRPUR HOSTS ONE-DAY LECTURE ON FLASH FICTION TECHNIQUES

Dated: -16-05-2024

The Literary Society of the Institute of English Language and Literature, Shah Abdul Latif University Khairpur recently organized a one-day lecture program on the intriguing topic of "Flash Fiction and its Techniques." The event, held at the institute's premises, aimed to delve into the nuances of crafting compelling flash fiction narratives. Under the patronage of The Director IELL Prof. Dr Syed Zulifqar Ali Shah, esteemed speakers Professor

Mukesh Kumar Mandhan and Assistant Professor Muhammad Ibrahim Khokhar led the insightful session. With their wealth of knowledge and expertise, they captivated the audience with their engaging discourse on the art and craft of flash fiction. Professor Mandhan, known for his literary prowess, emphasized the importance of brevity and precision in flash fiction writing. He elucidated various techniques, such as impactful openings, concise character development, and the art of implication, to convey powerful narratives within a limited word count. Assistant Professor Ibrahim Khokhar, renowned for his innovative approach to storytelling, highlighted the significance of experimentation and creativity in flash fiction. Drawing from his own experiences, he shared practical tips on harnessing vivid imagery, playing with structure, and crafting unexpected twists to leave a lasting impact on readers. During the interactive session, participants had the opportunity to engage with the speakers, asking questions and seeking advice on honing their flash fiction skills. The atmosphere buzzed with enthusiasm as attendees gained valuable insights and inspiration to embark on their own flash fiction journeys. A large number of students attended the session.

Syed Asad Ali Shah Jilani delivered an insightful speech, focusing on the fiscal challenges and opportunities for the upcoming financial year. He emphasized the need for prudent financial management and strategic investments to foster economic growth in Sindh and across Pakistan. The seminar included a dynamic dialogue session where attendees discussed budgetary expectations and the realities of economic constraints. This interactive discussion allowed participants to engage directly with the guest speaker, providing a platform for diverse perspectives on the financial outlook for FY 2024-25. Prof. Dr. Ghulam Mustafa Mashori extended a vote of thanks, expressing gratitude to the guest speaker and participants for their valuable contributions. As a token of appreciation, shields, and cultural gifts of Ajrak were distributed among the guests, highlighting the rich cultural heritage of Sindh. The seminar concluded with a consensus on the importance of informed financial planning and the critical role of academic institutions in shaping economic policy discussions.

## **FACULTY MEMBERS OF SALU AWARDED NATIONAL POST-DOCTORAL FELLOWSHIP FOR EXCELLENCE IN RESEARCH AND INNOVATION**

Five distinguished faculty members from Shah Abdul Latif University (SALU) have been awarded the Post Doctorate Fellowship under the National Post-Doctoral Fellowship Program of the Sindh Higher Education Commission (SHEC). The recipients include Prof. Dr. Riaz Ahmed Shaikh and Dr. Asadullah Kehar from the Institute of Computer Science, who are recognized for their contributions to advancing computational technologies. From the Department of Physics and Electronics, Prof. Dr. Deedar Ali Jamro and Dr. Zubeda Bhatti have also been awarded for their innovative research in the field. Additionally, Prof. Dr. Sajjad Ali Raisi from the Institute of Islamic Studies has been honored for his scholarly work, further enhancing the academic reputation of SALU.

## **SUCCESSFUL COMPLETION OF POSTDOCTORAL STUDIES BY FACULTY MEMBERS**

We are pleased to announce the successful completion of postdoctoral studies by two of our esteemed faculty members:

1. Dr. Mumtaz Sand, Department of Botany, has completed her postdoctoral research titled “Transcriptomic Analysis of Fruit Epicarp for Four Coconut Varieties” in China.
2. Dr. Javed Ahmed Ujjan, Department of Zoology, has successfully completed his postdoctoral studies in the United States of America under the Fulbright Scholarship.

Their dedication to research and academic excellence is a source of pride for our institution, and we are confident that their contributions will further enrich our academic community.

## THE CHEQUE DISTRIBUTION CEREMONY

Dated: 15. May.2024

The cheque distribution ceremony of Sindh HEC Indigenous Scholarship for Post Graduate Students was held at the Syndicate Hall of Vice Chancellor Secretariat, Shah Abdul Latif University, Khairpur dated 15th May 2024. Professor Dr Ghulam Mustafa Mashori, who is looking after the day-to-day affairs of the university as the Vice Chancellor presided over the event. The formal proceedings of the event started with the recitation of Holy Quran by Prof. Dr. Muhammad Masihullah Jatoti. Prof. Dr. Naveed Ahmed Shaikh, Director Post Graduate Studies briefed the audience on the importance of scholarship and the entire process of nomination. Dr. Shaikh said that it was a laborious task to make nominations. Overall, more than 450 students are enrolled in 2021 batch in postgraduate programs. Prof. Dr. Ghulam Mustafa Mashori congratulated the nominated students.

Prof. Dr. Ghulam Mustafa Mashori further said that we are thankful to Sindh HEC for providing financial support to the deserving and talented students to complete their academic journey. He further said that he is hopeful that the students shall utilize this amount properly for conducting quality research which will be beneficial for the community. He further said that Directorate of Postgraduate has done an excellent job by maintaining transparent mechanism throughout the entire process. While sharing their view, the students said that we are thankful to Sindh HEC, Shah Abdul Latif University and Directorate of Post Graduate Studies for this financial support.

The event featured a range of activities, including exhibitions, presentations, and competitions, all centered around the theme of marketing and business. The fair offered a unique opportunity for students to interact with industry experts, gain insights into the latest marketing trends, and develop valuable skills in marketing, branding, and sales. The event also highlighted the university's commitment to fostering innovation, creativity, and entrepreneurship among its students. Dean Faculty of Management Science Professor Dr. Amir Ali Shar said, "The Marketing Fair provided a dynamic platform for our students to showcase their creativity, innovation and entrepreneurial spirit, preparing them for the dynamic world of marketing and

business." "We are thrilled to see our students showcasing their talent and creativity in marketing and business," said Prof Dr Muhammad Ismail Soomro, Director of Business Administration. "The Marketing Fair is a testament to our university's dedication to providing students with practical learning experiences and preparing them for success in their future careers." The event was a resounding success, with participants and attendees praising the organizers for their efforts in creating an engaging and informative experience.

## **UNVEILING THE FUTURE OF AI: SHAH ABDUL LATIF UNIVERSITY KHAIRPUR HOSTS AI PROJECTS EXPO.**

**Dated: 30.04.2024**

Khairpur: Prof. Dr. Noor Ahmad Shaikh, Prof. Dr. Javed Ahmad Mahar, and Prof. Dr. Riyaz Ahmad Shaikh inaugurated the AI Projects Expo at the Institute of Computer Science of Shah Abdul Latif University. Final year students of BSCS highlighted their new projects,

highlighting their extraordinary talent in Artificial Intelligence and demonstrating their dedication and expertise in the field. The exhibition featured twenty-four projects, each of which was a testament to the creativity and artistry of the students. The projects covered a range of AI applications, including machine learning,

natural language processing, and more. The exhibition offered a glimpse into the various possibilities of AI in various domains, demonstrating its potential to transform industries and revolutionize the way we live and work. Prof. Dr. Rafat Hussain presented certificates to the position holders in recognition of their outstanding achievements. The role of Ashiq Shaikh,

who played an important role as a supervisor during the expo, was also appreciated. The expo provided a platform for students to display their skills, exchange ideas, and learn from industry experts. It also highlighted the university's commitment to promoting and nurturing talent in the field of artificial intelligence.

## **GREEN YOUTH MOVEMENT CLUB AND DEPARTMENT OF BIOCHEMISTRY SALU JOINED HANDS TO CREATE AWARENESS ON ENVIRONMENTAL ISSUES.**

**Dated: 14.05.2024**

A thought-provoking model exhibition program was organized by Green Youth Movement Club in collaboration with Department of Biochemistry, Shah Abdul Latif University, Khairpur on the theme of "Save the Planet" on environmental issues. The event, held at the New Academic Block, was aimed at creating awareness and encouraging action among the youth to

protect the environment. The program was inaugurated by Prof. Dr. Abdul Hussain Shar, Dean, Faculty of Natural Sciences, who appreciated the efforts of the students and encouraged them to continue to play their role in environmental protection through innovative ideas and awareness seminars. The exhibition featured sixteen amazing models created by students, showcasing environmental issues and potential solutions. Models on display include climate change, air pollution treatment, acid rain, rainwater harvesting, water pollution treatment, wastewater treatment, greenhouse effect, hydroponic systems for growing plants, renewable energy, solar energy. Production, windmill energy, and photosynthesis were included. Three models were ranked as the best, including solar power generation, wastewater treatment, and the impact of acid rain on the biosphere.

**SHAH ABDUL LATIF UNIVERSITY VICE CHANCELLOR CALLED ON THE  
PROVINCIAL CARETAKER MINISTER OF PAKISTAN INSTITUTE OF  
TOURISM: FOCUS ON STUDENT INTERNSHIPS AND HOTEL MANAGEMENT  
TRAINING**

**Dated: 05.01.2024**

On Friday, January 5, 2024, Professor, Vice Chancellor of Shah Abdul Latif University, Khairpur, met with the Provincial Minister for Tourism, Arshad Wali Muhammad, and visited the Pakistan Institute of Tourism. During the meeting, Vice Chancellor SALU had a detailed discussion with Hidayatullah Rajpar, the head of the Pakistan Institute of Tourism and Hotel Management, emphasizing the need to establish an agreement for offering internships to students of the Commerce Department at Shah Abdul Latif University. Both institutional heads agreed that in today's world, food and beverage industries hold significant importance. Khairpur, being a historic district, has a vital role in the hotel management industry. To promote this trend, Shah Abdul Latif University will develop training programs for students in the Faculty of Management to enhance their hotel management skills. This initiative aims to address issues of unemployment and poverty. During the meeting, Professor VC stated that future efforts would focus on strengthening ties with the Pakistan Institute of Tourism and Hotel Management. By collaborating with the institute, Shah Abdul Latif University plans to conduct training workshops and seminars to equip students with the skills required to meet modern demands. This will enable them to contribute effectively to the country's economic development.

## PROF. DR. KHALIL AHMED IBUPOTO VISITED THE OFFICE OF CHIEF COORDINATOR NIDM, ISLAMABAD

Research Projects on climate change and challenges will be embarked on jointly wherein the current strategies pertaining to disaster risk reduction and management will be focused. It was resolved that seminars, training workshops will be convened on different disaster management related issues and rehabilitation. Dr. Syeda Maria Zaidi, Manager, and Ms. Sana Noor attended the meeting, Deputy Manager NIDM.

**MADAM ZEHRA HAJANI FROM THE PUBLIC DIPLOMACY OFFICE OF THE  
U.S. CONSULATE PAID A VISIT TO THE STUDENT SOCIETIES CENTER AT  
SHAH ABDUL LATIF UNIVERSITY, KHAIRPUR**

**Dated:29.01.2024**

Madam Zehra Hajani from the Public Diplomacy Office of the U.S. Consulate paid a visit to the Student Societies Center at Shah Abdul Latif University, Khairpur. During her visit, she engaged in insightful discussions with representatives from various student societies, exploring the diverse range of activities and initiatives they have undertaken. The in-charge of the Student Societies Center provided a detailed briefing on the one-year co-curricular activities, highlighting the achievements, challenges, and future goals of the societies. The briefing also included an overview of the collaborative projects, workshops, and events that have been instrumental in fostering student engagement, leadership development, and community outreach. Madam Hajani expressed her appreciation for the efforts being made to enrich the student experience and emphasized the importance of such initiatives in building cultural bridges and promoting mutual understanding. Her visit underscored the significance of student-led activities in enhancing the overall educational environment and contributing to the holistic development of students at the university.

## DELEGATION FROM CPDI VISITED THE STUDENTS' SOCIETIES CENTER -

SALU KHAIRPUR.

Dated: 21. Feb.2024

Ms. Mujeeba and Mr. Haseb, representing the Center for Peace and Development Initiative, graced the Student Societies Center with their presence. In a collaborative endeavor, they engaged in a meaningful dialogue with students from various societies, including Young Peace Development and Corp, Women Empowerment Society, Climate Change Society, and Disaster Management Society. During this interaction, students passionately shared insights into the diverse training programs, activities, and practical learning methodologies integral to their university-level education. The exchange aimed to provide Ms. Mujeeba and Mr. Haseb with a comprehensive understanding of the students' academic journey and the innovative approaches embraced within the university's educational framework. The visit was warmly initiated by Dr. Ali Raza Lashari, the Incharge of the Student Societies Center, who extended a gracious welcome to the esteemed delegates. Dr. Lashari expressed gratitude for their commitment to fostering collaboration between the Center for Peace and Development Initiative and the student societies, acknowledging the importance of such engagements in enriching the academic experience. This collaborative effort, marked by the presence of Ms. Mujeeba and Mr. Haseb, exemplifies the symbiotic relationship between development organizations and educational institutions. It serves as a testament to the university's commitment to practical learning and inclusive approaches, laying the foundation for future collaborations that contribute to holistic student development.

## **COLLABORATIVE ENVIRONMENTAL INITIATIVE: SALU-KHAIRPUR AND DISTRICT FOREST OFFICE LAUNCH SUSTAINABLE PLANTATION DRIVE**

**Dated: 22.Feb.2024**

In a notable initiative aimed at fostering environmental sustainability, Mr. Zadullah Laghari, the Divisional Forest Officer, recently visited the Student Societies Center at Shah Abdul Latif University (SALU), Khairpur. The visit marked the beginning of a significant collaboration between the university and key environmental stakeholders, with Mr. Laghari joining forces with Dr. Ali Raza Lashari to discuss and strategize an upcoming plantation drive. This initiative is designed with a strong emphasis on sustainability, reflecting a shared commitment to environmental stewardship. The collaboration brings together a diverse group of partners, including the District Forest Office, Milkar.com, Young SDG, and the Climate Change Society, all of whom are dedicated to making the SALU campus greener and more eco-friendly. The discussions during the meeting focused on the logistical and practical aspects of the plantation drive, with an emphasis on long-term maintenance and community involvement to ensure the success of the initiative. The collaboration not only underscores the university's dedication to environmental causes but also serves as a model for how educational institutions can work in tandem with local authorities and organizations to drive meaningful change.

## OFFICE OF THE REGISTRAR

### **Duties and function:**

Registrar is an administrative position and head of the University's administration; he is responsible to frame academic policies being a secretary of the university's governing bodies and head of subsections of the administration.

The registrar office proceeds the responsibility of being caretaker and custodian of all students' academic data. The Registrar Office is the backbone of university which plays vital roles in assistance from the day a student enrolls into the system till the day student passes out. Usually responsible for admissions and academic policies, academic scheduling, front line service and support.

### **The Registrar office comprises on main 04 Sections:**

1. Administration Section
2. Teaching Section
3. **Academic-I/Meetings Section**
4. Academic-II Section

## **JOB DESCRIPTION OF DEPUTY REGISTRAR (MEETINGS)**

### **Key Functions of the Academic-I (Meetings Section)**

The purpose of board meetings is usually to make decisions, set policy, solve problems and to plan and evaluate. Undoubtedly, we realize that these kinds of meetings are of great importance for an organization, so the meeting section has significant importance as it keeps records of each and every board meeting. Apart from its importance the following tasks are to be accomplished by this section.

- The Meeting Section is responsible to maintain the record various authorities of the University i.e., Senate Syndicate, Academic Council, Board of Faculties, Board of Studies.
- This section constitutes all the bodies of the authorities as per University Code and arranges to hold the meetings of the various bodies.
- It schedules Elections to elect the members on the boards of Senate, Syndicate, Academic Council etc.
- This section calls the meetings of the bodies and prepares the Agenda and Working Papers.
- The Meetings Section announces the Minutes of the meetings and arrange to note the follow-up actions on various decisions of the bodies.
- The section maintains the files of all the bodies regarding their formation, elections and other routine proceedings.

### **Authorities of the University**

- |   |
|---|
| ▪ Senate                                    |
| ▪ Syndicate                                 |
| ▪ Academic Council                          |
| ▪ Advanced Studies & Research Board (ASRB ) |
| ▪ Selection Board                           |
| ▪ Board of Faculties                        |
| ▪ Board of Studies                          |
| ▪ Affiliation Committee                     |
| ▪ Finance & Planning Committee (FPC)        |
| ▪ Students Discipline Committee             |

## **BRIEF FUNCTIONS AND ROLE OF THE GOVERNING BODIES:**

### **Senate.**

The Senate shall have the powers, to consider the drafts of Statutes proposed by the Syndicate, to consider and pass the annual report, annual statement of accounts and revised budget estimates; to delegate any of its powers to an Authority or Officer or a Committee or Sub-Committee; and to perform such other functions as may be prescribed by Statutes.

After the successful completion of meeting a group photo of the Syndicate members was captured led by Vice Chancellor SALU, Khairpur.

# MEDICAL FACILITIES

CARE ABOUT YOUR  
HEALTH, ANYWHERE

## WE PROVIDE

- Physical Therapy
- Medication Monitoring
- Individual Consultation
- Free Medical camps

**ANNUAL REPORT 2023-24**

[www.salu.edu.pk.com](http://www.salu.edu.pk.com)

## **MEDICAL FACILITIES AT SHAH ABDUL LATIF UNIVERSITY, KHAIRPUR**

The Medical Facilities at our institution have continued to prioritize the health and well-being of students, faculty, and staff throughout the year. We have enhanced our healthcare services by upgrading equipment, increasing the availability of medical professionals, and expanding our outreach for health awareness. Regular health check-ups, vaccination drives, and mental health counseling have been conducted to ensure a holistic approach to wellness. Our emergency response system has also been strengthened to address critical situations swiftly. The facility remains committed to providing high-quality healthcare and ensuring a safe, healthy environment for all members of our community.

Shah Abdul Latif University, Khairpur is proud to have its medical dispensary affiliated with the People's Primary Healthcare Initiative (PPHI), further enhancing the healthcare services available to our university community. Through this affiliation, the dispensary benefits from additional medical resources, professional support, and access to PPHI's extensive network of healthcare expertise. This collaboration allows us to provide more comprehensive medical care, including basic treatments, preventive health services, and specialized healthcare camps. The partnership with PPHI strengthens our commitment to delivering quality healthcare to students, faculty, and staff, ensuring their well-being remains a top priority.

In addition to our comprehensive medical services, Shah Abdul Latif University, Khairpur also provides an ambulance facility for emergency situations. This service ensures that immediate medical assistance is available on campus, enabling rapid transportation to nearby hospitals or specialized care centers when necessary. The availability of an emergency ambulance reinforces our commitment to the safety and well-being of our university community, allowing us to respond swiftly and effectively to critical health situations. This facility is an essential part of our healthcare infrastructure, ensuring prompt medical care in times of urgent need.

## BLOOD DONATION CAMPS

Shah Abdul Latif University, Khairpur arranged blood donation camps with the collaboration of Fatimid Foundation. The camps were situated in near the Students' Society Center and near the New Academic Block in the premises of SALU. Wherein, many students, faculty members, and employees of Shah Abdul Latif University, Khairpur donated their blood for needy people. In this regard, Vice Chancellor SALU, Khairpur distributed certificates of appreciation among the blood donors.

# STRENGTHENING TECHNOLOGICAL INFRASTRUCTURE

*Strengthening technological infrastructure at Shah Abdul Latif University, Khairpur, focused on enhancing digital systems, upgrading campus facilities, and expanding access to cutting-edge technologies to support academic excellence and research innovation*

## INTRODUCTION

The chapter "Strengthening Technological Infrastructure" reflects Shah Abdul Latif University, Khairpur's commitment to modernizing its educational and research facilities to meet the evolving demands of a digital world. With the rapid pace of technological advancements, the university has prioritized the integration of cutting-edge systems and tools to provide its students and faculty with a seamless learning experience. This approach is designed to bridge the gap between traditional educational practices and the requirements of a technology-driven future.

A key focus of these efforts has been the enhancement of digital infrastructure across the campus, including improved internet connectivity, the implementation of advanced learning management systems, and the modernization of computer labs and research facilities. These improvements not only offer students greater access to digital resources but also support faculty in adopting innovative teaching methodologies. The university's focus on technological upgrades aims to create a more interactive and engaging learning environment, ensuring that both students and faculty are well-equipped for academic and professional challenges.

Furthermore, the chapter outlines future strategies for continued growth in this area, including plans for further integration of smart technologies, enhanced cybersecurity measures, and collaboration with tech industries. By continuously investing in its technological infrastructure, Shah Abdul Latif University is positioning itself as a forward-thinking institution dedicated to nurturing a technologically adept generation of scholars and professionals.

## REPORT ON STRENGTHENING TECHNOLOGIES/INFRASTRUCTURE

### 1. DIGITAL LIBRARY

The Digital Library at Shah Abdul Latif University, Khairpur, serves as a vital resource for research scholars, students, and faculty members. It provides access to a vast collection of academic journals, e-books, and research papers, allowing scholars to stay up-to-date with the latest advancements in their respective fields.

## 2. PERN

PERN provides a backbone for the university, offering an internal bandwidth capacity of 360+ Mbps. Currently, 90% of this bandwidth is consumed by the smart Wi-Fi connected to the LAN and Wi-Fi networks across the campus. This high utilization rate reflects the increasing reliance on digital resources and online platforms by students and faculty. The smart Wi-Fi infrastructure supports a wide range of academic activities, from accessing online learning materials to conducting research and participating in virtual classrooms. However, the growing demand necessitates further expansion and upgrades to ensure that the network can handle future requirements without compromising performance.

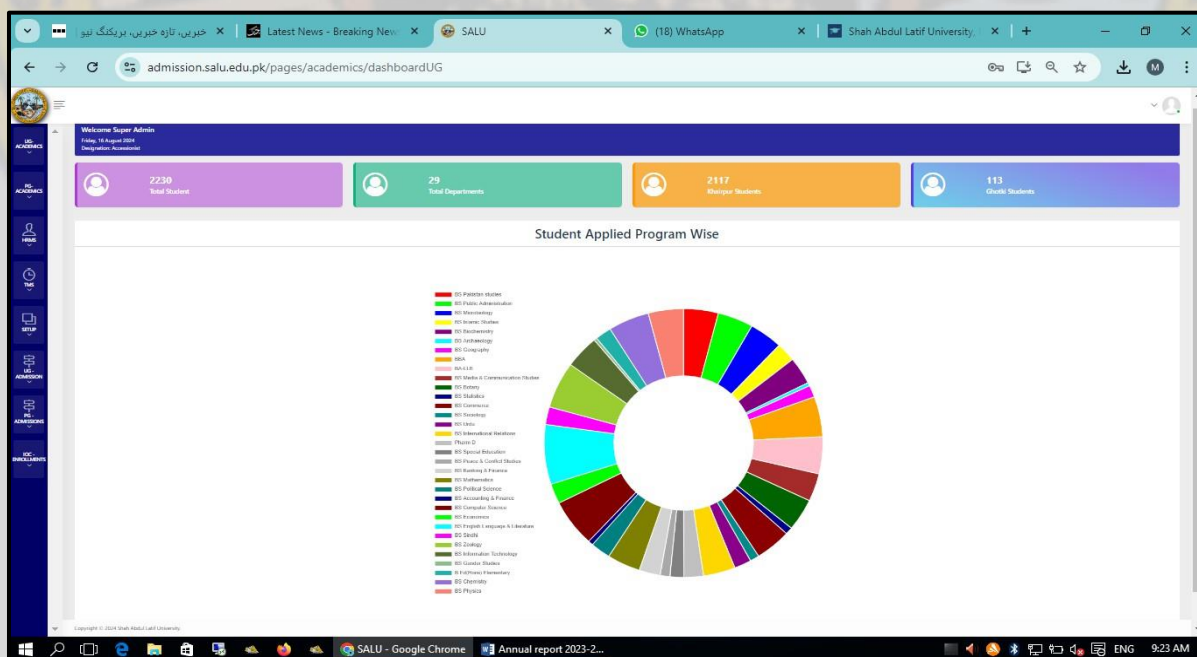

### 3. Video Conference Room

The university boasts a state-of-the-art video conference room designed to support a wide range of academic and administrative activities. This facility is equipped with the latest audiovisual technology, including high-definition cameras, advanced microphones, and large display screens, ensuring clear and effective communication during meetings. The video conference room is primarily used for conducting PhD seminars, where candidates present their research findings to a panel of experts. It also serves as a venue for official online meetings, enabling the university to engage with external stakeholders, collaborate with other institutions, and participate in international conferences. However, to stay ahead of technological advancements, periodic upgrades and maintenance are necessary to ensure that the facility continues to meet the developing needs of the university.

### 4. Campus Management Solution (CMS)

The Campus Management System (CMS) is a comprehensive system developed to automate various administrative processes within the university. The CMS is currently in the final stages of development and is undergoing rigorous testing to ensure its functionality and reliability. The CMS is expected to be fully operational by the upcoming session in 2025. The successful deployment of the CMS will lead to greater efficiency, transparency, and accessibility across the university's operations.

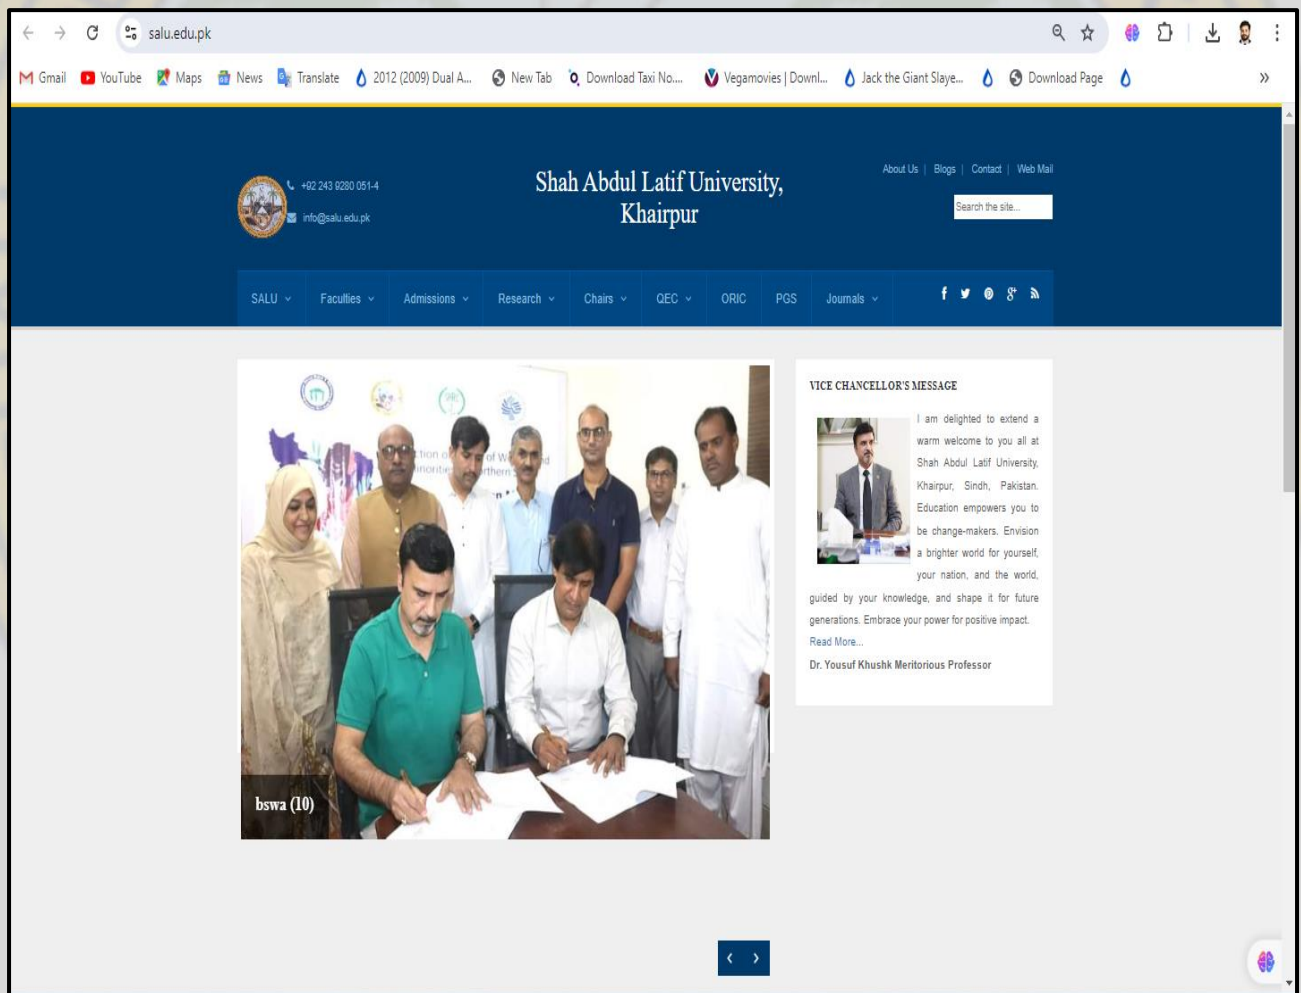

## 5. Web Portal

The university's web portal serves as the primary gateway for accessing information and services related to the institution. It is powered by a robust Content Management System (CMS) that ensures the website is continuously updated and fully functional 24/7. The web portal hosts a wide range of content, including academic programs, faculty profiles, news updates, and event information. According to recent reports, the website attracts more than 1,200 visitors daily, indicating its worth as a resource for students, faculty, prospective students, and external stakeholders.

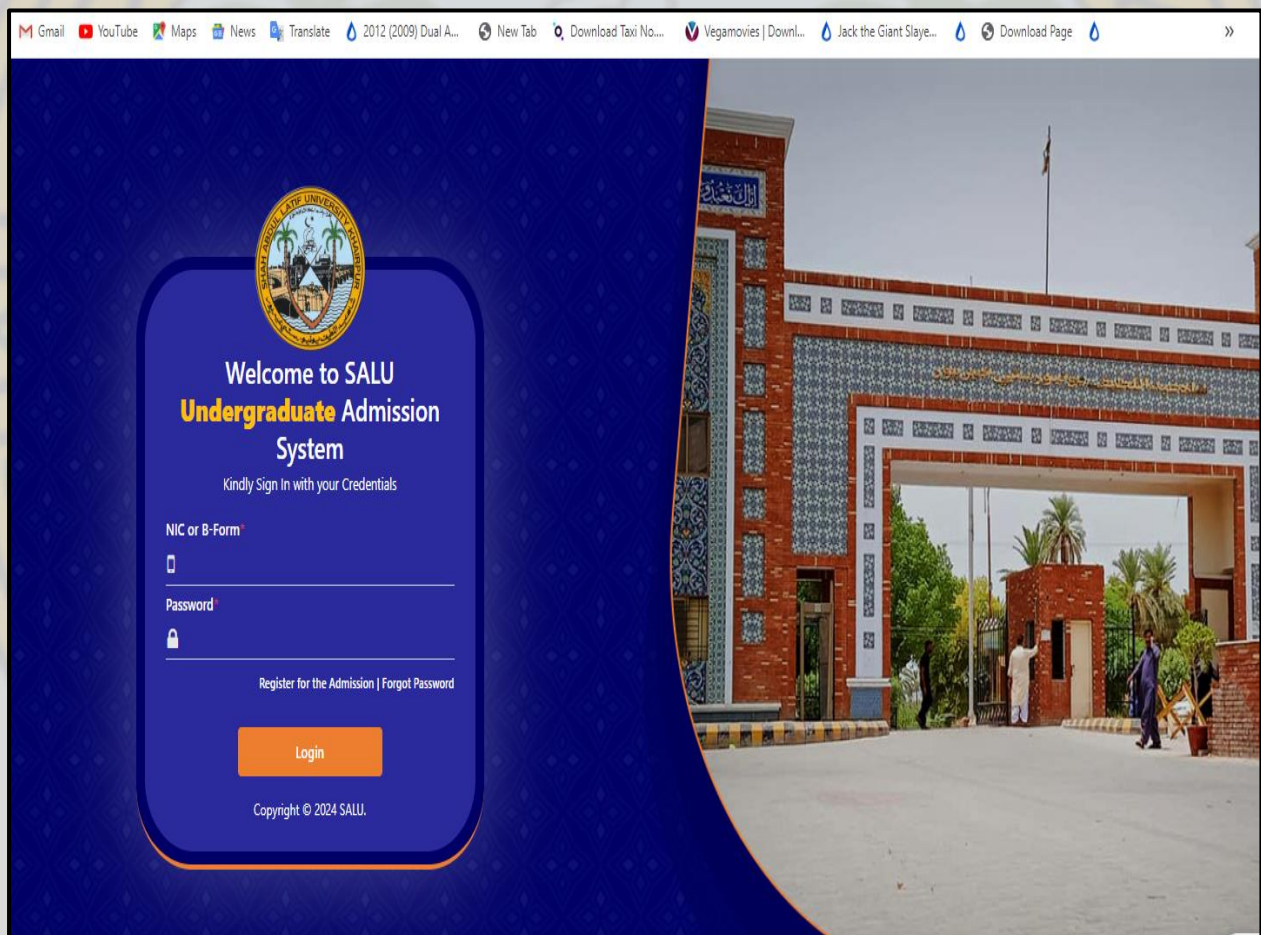

<https://salu.edu.pk/>

## 6. Development of Online Admission System

The university's Online Admission System has been a noteworthy achievement in digitizing the admission process and making it more accessible to students. The system currently handles three types of admissions: Undergraduate programs, which were introduced online in 2020; Postgraduate programs, which followed in 2022; and admissions for the Inspector of Colleges, which pertain to private students of all affiliated colleges, also initiated in 2022. This online system is more efficient and user-friendly. It allows prospective students to apply, submit documents, and track their application status online, reducing the need for physical visits and paperwork.

## FUTURE PLAN OF IT

### Academic Module for Faculty & Teacher

The Campus Academic module will streamline the entire academic process, managing everything from student enrollment to degree issuance under a single sign-on system. This integration allows students to easily access all necessary services and information in one place, enhancing user experience and operational efficiency. Features may include application tracking, online students' attendance, online result submission, course registration, grades management, and degree verification, all while ensuring secure and convenient access to academic records.

### Inventory Management System

Development of Inventory Management System is under process, requirement analysis collection and development has been starting the system will be operational from January 2025. Key feature of systems is Asset Tracking, Loss Prevention, Real-time tracking of assets, Barcode/QR Code scanning capabilities.

## Time Management System for Employees Attendance:

## Shadadkot Campus

Shah Abdul Latif University Khairpur is a prominent public sector University of Sindh since decades. It intends to compete with the leading universities of the world with global perspective to impart quality education. In this respect, Shah Abdul Latif University has established Sub-Campus at Shadadkot under the umbrella of Higher Education Commission Project “Establishment of Sub-Campuses of Public Sector Universities at District level” in line with Vision Pakistan-2025 to provide the quality education to the underprivileged people at their door step.

ShahdadKot is the most populated town of Kambar-ShahdadKot District of Sindh. In the first phase, three departments i.e Department of English Language & Literature, Department of Business Administration and Department of Computer Science & IT have been launched in 2017.

ShahdadKot campus is housed in the building of STEVTA, Dost Ali Road ShahdadKot. The building structure is also expanded and transformed to meet the scope of a modern University.

### VISION

- To develop human resources & capabilities to meet national development needs through quality teaching, learning & research. “Youth Empowerment” is one of the main objectives of the University.

### MISSION

- ❖ Providing affordable and accessible quality Under-Graduate, Graduate and Post-Graduate degree programs, National and International in scope
- ❖ Imparting learner-centered teaching through qualified faculty using modern teaching aids and methodologies
- ❖ Creating and promoting quality research environment, provide consulting faculties to Industrial/Business & services sector with a realization of needs of community and national responsibility towards economic growth and welfare
- ❖ Building national character and focusing on production of quality graduates to contribute to the economic, industrial and social development of the country

- ❖ Promoting a campus environment that welcomes, honors men and women, and values of intellectual curiosity, pursuit of knowledge and academic freedom and integrity

### **1: Academic Activities**

---

#### **1.1 Undergraduate Programs**

Undergraduate Programs:

- A) Bachelor of Business Administration (BBA 4-Years)
- B) BS (Computer Science) 4-Years
- C) BS (English) 4-Years

#### **1.2 Academic achievements**

- A) Batch 2018, 2019 and 2020 have been completed successfully.
- B) All Programs got approved from the University Statutory bodies.
- C) New Building for the campus (Public School Shahdadt) has been approved by the Chief Minister of Sindh
- D) land of 25 Acres donated by local Brohi Community at CPEC road for establishment of campus whose ownership is also transferred on the name of university. The soil test process has also been completed by the team of experts.
- E) THE PC-I has also submitted at sindh HEC for funding for establishment of campus

*New Campus Building Approved By CM Sind*

## Chapter-

*Experts of MUET Jamshoro visited newly donated land of Shahdaddkot Campus by Brohi Community for survey of Soil Testing*

## Chapter-

### 2: Research & Developments

#### 2.1 R&D-An: Overview

This is an undergraduate institution where students are taught only BS 4-Years programs. However to facilitate our youngsters ,campus have very good central library with more than 4000 books and two well-furnished computer labs with high speed internet connection to facilitate students for lab, research and final year projects.

*Library having 4500 books of different subjects*

*Computer Lab for Practical and Research Work*

#### 2.2 Projects Completed

- Library Management System
- Online Examination portal for SALU Shahdadt Kot Campus
- Digital Labor Platform
- Website for SALU Shahdadt Kot Campus Newly Launched
- **Blood Mining System**

## Chapter-

### 3: Quality Assurance

- 3.1 In each campus a focal person of QEC is nominated by registrar office of main campus, who is responsible to all required data as per HEC guidelines such as;
- Ensure the proper teaching and updated curriculum
  - Higher Education Statistics/UPR/YPR/Annual Report of Campus
  - Survey forms for preparation of SAR
- 3.4 Accreditation of programs from relevant councils
- All programs of the campus are approved from the statutory bodies of the university and have also been accredited by the Higher Education Commission of Pakistan.

### Chapter-4: Faculty Development

- 4.1 Two Faculty members enrolled in Ph.D under Chinese Government Scholarship Program  
One Faculty member enrolled in Ph.D in Italy under Scholarship
- 4.3 Four (04) present PhD scholars
- 4.4 Faculty members have completed the following professional development programs:  
NAHE  
Teach Through English

### Chapter-5: Access

#### 5.1 Basic enrolment

Department	Male	Female	total
English Language & Literature	112	86	198
Computer Science	64	10	74
Business Administration	38	9	47
<b>TOTAL</b>	<b>214</b>	<b>105</b>	<b>319</b>

#### 5.2 Faculty Strength

Sr. No	Departments/discipline	No Of Faculty
01	Business Administration	04

<b>4</b>	Furniture, Fixtures and Teaching Aid		1.334
<b>5</b>	Operational Vehicles		0.729
	<b>Total</b>	<b>63.00</b>	<b>19.567</b>
<b>B</b>	<b>Operational Cost:</b>		
<b>1</b>	Operational Cost Faculty	<b>42.000</b>	30.724
<b>2</b>	Operational Cost Admin and Technical Staff		6.828
<b>3</b>	Utilities and Other Operational Cost		4.08
<b>4</b>	Books and Library Materials		0
	<b>Total</b>	<b>62.000</b>	<b>41.632</b>
<b>Grand Total</b>		<b>62.000</b>	<b>61.199</b>

### **9.2 Audit Report**

Internal Audit is completed.

### **9.3 Development Budget**

5.600 Million for Development

### **9.4 Recurring Budget**

Recurring Budget is now to be provided onwards.

### **9.5 Self-generated Income**

Self-generated Income is from fee collection that amounts to Rs. 7.500 Million up-till now.

## **9.6 Trend of per student spending**

Approximately Rs. 30,000 per student.

## **Chapter-10: Office of Resource Generation/Development**

### **10.1 Future Plans**

- Establishing new departments according g to the need of market
- Shifting to the new building allowed by the Chief Minister of Sindh
- Increasing maximum participation of female students
- Establishment of smart class rooms
- Student's participation in national competitions
- Arrangement of local scholarships for the students
- Arrangement of Research and Development for students
- Publication of Campus Magazine
- Establishment of Alumni Group

## **Chapter-11: Health Centre/Medical Facilities**

### **11.1 Medical Facilities Available**

Availability of Ambulance, First Aid Box service for emergency

### **11.2 Blood Donation Camps**

The Shahdadtal campus has recently organized a series of successful blood donation camps, demonstrating its commitment to community health and solidarity. These events were meticulously planned to ensure a smooth and safe experience for all participants. Local healthcare professionals were on hand to oversee the process, ensuring that each donation was conducted with the highest standards of care.

The camps not only facilitated the collection of essential blood supplies but also raised awareness about the importance of regular blood donation. The enthusiastic participation of students, staff, and local residents underscored the campus's role as a vital community hub. The success of these camps highlights the collective effort and civic responsibility that define the Shahdadtal campus's approach to community service.

Overall, the blood donation camps have had a positive impact, contributing to the well-being of countless individuals in need and reinforcing the spirit of generosity within the Shahdadtal community.

### **11.3 Counseling for Stress Reduction**
