**SUBJECT: INFORMATION REGARDING CONSTRUCTION OF SWEET POTABLE WATER.**

Respected Sir,

It is to inform you that successful construction of cold potable sweet water storage facility on our campus, made possible through contribution & support of our dedicated alumni community. This achievement is a witness to the enduring commitment of our alumni community to the welfare and betterment of our University.

It is further added that this potable sweet water storage facility has been constructed by Memon Jamaet at the cost of Rs: 0.8 million. This has resolved issue of sweet potable water availability in the University premises.

Regards

Prof. Dr. Chandan Lal  
Director Alumni

### Alumni Affairs: Outstanding Achievements etc.

Alumni Association of Shah Abdul Latif University Khairpur has performed marvelously well under the leadership of Director Alumni. The patronage of the incumbent Vice Chancellor Prof. Dr. Khalil Ahmed Ibupoto has geared up the spirit of achievements. Following remarkable achievements have been accomplished for the year 2020-2021 by the Alumni Association.

A beautiful central mosque at the university has been constructed with magnanimous donation of 3.8 millions by Jumani WelfareTrust.

Alumni donation and contribution of well wishers Wuzu Khana (Place for ablution) and Public Urinals have been constructed.

With the generous donation of RS. 0.8 millions by Memon Jamaet cold potable water storage has been constructed. This has resolved the longstanding issue of availability of sweet potable water in the university premises.
