ABOUT THE UNIVERSITY

In 1974-75 the University of Sindh with its solitary campus in Jamshoro, could not keep pace with the growing need of the Sindh Province for higher education. Another campus was therefore set up at Khairpur Mir's named after the great international poet of Sindh, Shah Abdul Latif Bhitai. The campus was meant to provide higher education facilities in various modern and scientific fields to the people in the northern part of the Province of Sindh, which had a rich tradition of producing highly educated and intelligent people.

On 16th March, 1986, the Sindh provincial assembly passed an act to make the campus a full-fledged and independent university. The act came into force in 1987, making the university functional, under the then Chief Minister. Its campus covers an area of 307 acres of lush green lawns, playgrounds and trees. The landscape includes three canals nearby which serve as picnic spots for the students and the faculty.

Shah Abdul Latif University, Khairpur is located in the heartland of Upper Sindh, i.e. Khairpur, a former state that joined Pakistan in 1955. The main campus is located near National Highway and is easily reachable by Air, Railway & Bus services. The Sukkur Airport, is one of the biggest Airports of Upper Sindh, is on half an hour drive and Khairpur Railway station is 5kms away from the main campus.

The beauty of Shah Abdul Latif University, Khairpur lies in the fact that it is surrounded by famous Archaeological Sites: Mohenjo Daro, Kot Diji Fort, Rohri Hills, Nara Desert, religious shrines of Sadhu Bello, Shrine of Hazrat Sachal Sarmast, barrages and bridges (Lloyds Barrage and Lanes Down) and Oil & Gas Fields (OMV, Sawan Field & Kadan Wari).
