# VICE CHANCELLOR'S MESSAGE

I am most grateful to Allah Almighty for providing me with this great opportunity and assigning me with this overwhelming responsibility to work as Vice Chancellor, Shah Abdul Latif University. I am honored, humbled and delighted to begin this journey with the Faculty, Administration, students and SALU Alumni.

I am pleased to introduce you the Annual Report of the Shah Abdul Latif University, Khairpur for the year 2022-23. This report describes how the Shah Abdul Latif University, Khairpur professed during reporting period. This report reflects a commitment to our enduring values to provide our faculty and students an excellent academic and research environment essential for their intellectual growth, development relationship, and moral values.

Being part of SALU it is our mission to carry out various activities and take initiatives that foster multi-dimensional progress of our university. Together, we will work relentlessly to create an all-inclusive environment that celebrates diversity and promotes creativity, innovation, and critical thinking. We believe that every individual possesses unique strengths and perspectives, and it is through collaboration and mutual respect that we can achieve greatness.

The Annual Report 2022-23 record the achievements of the Shah Abdul Latif University, Khairpur having academic, co-curricular and extra-curricular activities throughout the year. As Vice Chancellor I promise to lead from the very front and I look forward to working alongside the faculty, administration and students of SALU to create a prosperous academic community that uplifts, inspires, and transforms assertively.

Thank you

**Prof. Dr. Khalil Ahmed Ibupoto**  
Vice Chancellor

# EXECUTIVE SUMMARY

Since the inception of the university, it has worked wonders to provide quality education to the underprivileged classes of the society. Moreover, professional commitments, honesty of purpose, quality teaching and research culture have been the distinct features of this great temple of learning.

This is a unique time to appreciate the efforts of all who contributed to this endeavor towards the journey of success. This university has great significance because of its geo location is very important since the university is the hub of three provinces. Khairpur city has historical record; it remained the princely state of Mir's.

The Annual Report of 2022-23 in your hand contains the progress reports of the curricular co-curricular and extracurricular activities carried out by the university. In this globalization era, the challenge for institutions of Higher Education is to develop human capital for achieving Socio-Economic progress by providing quality education to all. The University is striving ahead with its agenda of quality and equity.

I take this opportunity to thank all former and present faculty members, officials, members of the various statutory bodies and all dignitaries who have served the University diligently and contributed to accomplish the targets set forth by Shah Abdul Latif University, Khairpur.

## ABOUT THE UNIVERSITY

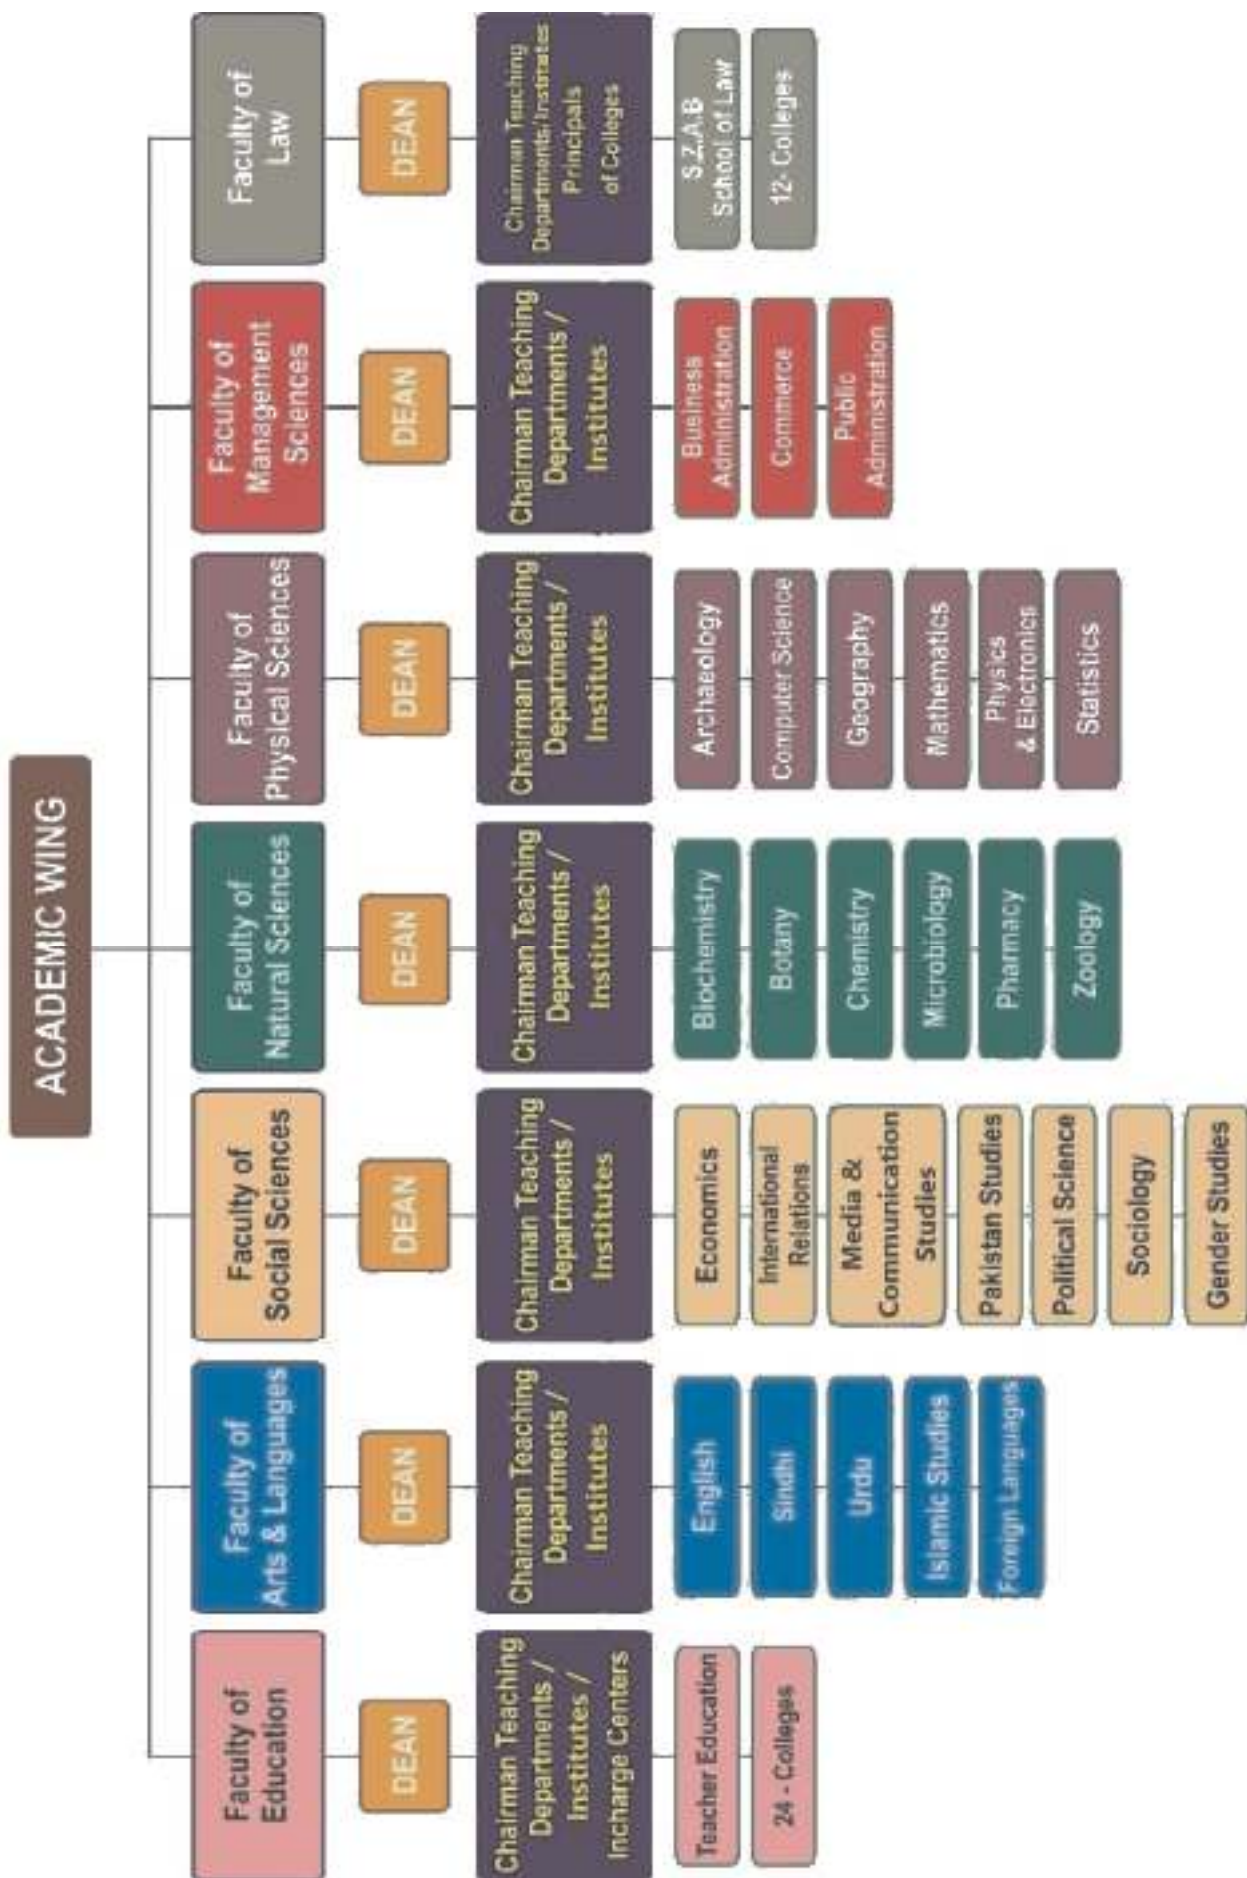

In the year 1974-75 the University of Sindh with its solitary campus in Jamshoro, could not keep pace with the growing need of the Sindh Province for higher education. Another campus was therefore set up at Khairpur Mir's named after the great international poet of Sindh, Shah Abdul Latif Bhittai. The campus was meant to provide higher education facilities in various modern and scientific fields to the people in the northern part of the Province of Sindh, which had a rich tradition of producing highly educated and intelligent people.

On 16<sup>th</sup> March, 1986, the Sindh provincial assembly passed an act to make the campus a full- fledged and independent university. The act came into force in 1987, making the university functional, under then Chief Minister. Its campus covers an area of 307 acres of lush green lawns, playgrounds and trees. The landscape includes three canals nearby which serve as picnic spots for the students and the faculty.

Shah Abdul Latif University, Khairpur is located in the heartland of Upper Sindh, i.e. Khairpur, a former state that joined Pakistan in 1955. The main campus is located near National Highway and is easily reachable by Air, Railway & Bus services. The Sukkur Airport, is one of the biggest Airports of Upper Sindh, is on half an hour drive and Khairpur Railway station is 5kms away from the main campus.

The beauty of Shah Abdul Latif University, Khairpur lies in the fact that it is surrounded by famous Archaeological Sites: Mohenjo Daro, Kot Diji fort, Rohri Hills, Nara Desert, religious shrines of Sadhu Bello, Shrine of Hazrat Sachal Sarmast, barrages and bridges (Lloyds Barrage and Lanes Down) and Oil & Gas Fields (OMV, Sawan Field & Kadan Wari). In the year 2011 Shah Abdul Latif University had given birth to a campus Shikarpur campus with major three departments; Department of Business Administration, Department of Commerce and Department of Information technology. Further added departments as Department of English, Department of Mathematics and Basic Sciences. Then the Shikarpur campus has been upgraded to full-fledged University as The Shaikh Ayaz University Shikarpur through Sindh Assembly Universities & Boards Amendment Act 2018.

## CONFERENCE

### ANNUAL CONFERENCE ON SUSTAINABLE DEVELOPMENT

The Sustainable Development Policy Institute (SDPI), Islamabad hosted the Annual Conference on "Sustainable Development During Unusual Times" on December 08, 2022. The President of Islamic Republic of Pakistan Dr. Arif Alvi presided over the inaugural session. Prof. Dr. Khalil Ahmad Ibupoto, Vice Chancellor and Prof. Dr. Naveed Ahmed Shaikh, Director Postgraduate Studies and Focal Person of MoU signed between SDPI and

SALU attended the session. The Ministry from related Ministries and Ambassadors from many countries attended the conference. The team of SDPI thanked all Universities representatives and particularly SALU for participating in the conference.

Prof. Dr. Khalil Ahmad Ibupoto said the MoU signed between the two prestigious Institutions will be materialized practically in order to achieve the set goals. He said the SDPI is working for the betterment of sustainable policies for the betterment of the country in promoting the sustainable development the socio-economic development. Dr. Ibupoto said Shah Abdul Latif University, Khairpur as partners Institute is working for the academic, research and development of the region at large.

### DR. KHALIL AHMED IBUPOTO INAUGURATED TWO-DAY INTERNATIONAL EXPERIENCE AT RAHIM YAR KHAN

Prof. Dr. Khalil Ahmad Ibupoto, Vice Chancellor inaugurated Two-Day International Conference on Sustainable Development Goals to Improve the Quality of Education and Research in Higher Education Institutes as chief guest at Khwaja Farid University of Engineering & Information Technology (KFUEIT), Rahim Yar Khan on November 29, 2022.

While addressing in the inaugural session, Prof. Dr. Khalil Ahmad Ibupoto said that it is the need of the time to implement the sustainable development goals set by the government especially to improve the quality education and research. He remarked that sustainable efforts are meaningful efforts to lead towards development, research and governance especially education sector is concerned. Education is the key indicator of development.

Dr. Ibupoto appreciated the efforts of Prof. Dr. Muhammad Saleem Tahir, Vice Chancellor KFUEIT, Rahim Yar Khan who is committed to promote the education, research and development at campus so the community of the Southern Punjab is benefited.

## KHUHRA SAUNTS

### NATIONAL EXPERIENCE ON BUILDING MAJLISAT FOR THE PROMOTION OF HUMAN DIGNITY AND SOCIAL REFORMS 27-01-2023

One-Day National Conference on "The Role of Majlisat (Society) of Khuhra in the Promotion of Human Dignity and Social Reforms" was held at university jointly organized by the Institute of Islamic Studies and Majlisat. **Abdul Rehman Shabazz** Cultural, Education and

Development Trust, Khuhra in collaboration with Sindh Rural Support Organization (SRSO) and office of the Deputy Commissioner, Khairpur. Prof. Dr. Khalil Ahmed Iqbal, presided the conference while Pir Syed Muhammad Bachal Shah Jilani, Special Assistant to Chief Minister Sindh was the chief guest.

Prof. Dr. Khalil Ahmed Iqbal said that last year we signed Memorandum of Understanding (MoU) with Majlisat Abdul Rehman Shabazz Cultural, Education and Development Trust, Khuhra to organize conferences, seminars on education and social issues. We have materialized the MoU in letter and spirit. He said the peace and tolerance could be achieved with the help of the teachings and philosophy of Sufi Sains. The contribution of Majlisat Abdul Rehman Shabazz is invaluable.

Pir Syed Muhammad Bachal Shah Jilani said that the Majlisat Abdul Rehman Shabazz is a symbolic Shabazz of Sindh. He preached for human dignity, unity of GOD and evil forces and promoted the teachings and philosophy of our Holy Prophet Hazrat Muhammad Mustafa (S.A.W.S) and Shariat. During the Kalhora reign, approximately 201 companions along with Majlisat Abdul Rehman were martyred.

Mr. Sharjeel Nisar Channa, Deputy Commissioner Khairpur said it is the high time to implement the idea of peace and tolerance for betterment of the society. Islamic civilization is source of betterment of society. He said that in the Shariat of Sufi Sains, there is equality and religious diversity.

Dr. Syed Miftah Hameed Shah, Custodian Dargah Hazrat Lal Shabazz Qalandar, Sukkur said that Sufism is a source of spiritualism. He said Hazrat Lal Shabazz Qalandar wrote four books on mystic philosophy. At that time, there was a Madrasa which was established 700 years earlier. The students from Alexandria and Egypt were enrolled as this was the influence of the Hazrat Lal Shabazz Qalandar.

Khanuja Miftah-ul-Din Makhdoom Karim, Custodian, Dargah Khanuja Ghulam Farooq (H.A) also shed light on the teaching and philosophy of the Majlisat Abdul Rehman Shabazz and others. He said in Sufism there is no discrimination but there is equality and inclusiveness.

Majlisat Nadeem Ahmed Hashmi, Custodian, Dargah Khuhra shed light on the objectives of the conference. He said this conference will promote the Islamic philosophy and teaching and will provide a viable platform for peace building and tolerance.

Dr. Makhdoom Bilal, Prof. Dr. Nazam Anwar Memon, Adv. A.B. Lashari, Dr. Shah Mubariq, Dr. Saifullah Hameed, Mr. Salman Khuhra, Hafiz Muhammad Rafique Soomro, Prof. Fida Muhammad, Dr. Zain-ul-Abideen Arjo, Ms. Shumaila Rabab Rizvi presented their research papers.

Prof. Dr. Taj Muhammad Lashari, Dean Faculty of Social Sciences accorded vote of Thanks. Ullah, Prof. Dr. Sajjad Ali Bhatti, Director Institute of Islamic Studies cordially welcomed the guests and participants of the conference.

The Quality Enhancement Cell (QEC) of Shah Abdul Latif University, Khairpur is determined to improve the quality of education in the University through implementing standards of Quality Assurance Agency, Higher Education Commission Pakistan. The outcome of this exercise is reflected in QAA, HEC ranking of QECs in which SALU retained "B1 category". This achievement is the result of commitment of faculty and administration in the light of the Vision & Mission of the university. The activities of QEC are given below:

- ❖ Online feedback on different surveys (Teachers, Students, Course Evaluation, Research Student Progress Review Form including Faculty response), not only reduced the time spent for data collection, analysis, and report generation but also minimized finance and labor.
- ❖ The QEC assists to conduct Graduating Students Surveys, Alumni surveys and Employers survey to improve the quality of program offered under the guidance of all stakeholders. The reports of these surveys are communicated to departments and institutes concerned for the improvement of quality education.
- ❖ Regular capacity building of the teachers to improve teaching methodologies is focused through organizing different workshops and participating in various conferences, seminars and other academic activities on different forums.
- ❖ The QEC has initiated self-assessment process at very beginning in different programs offered by the departments and communicated all relevant documents to HEC as per assessment process.
- ❖ The QEC also work in collaboration with the DEEC regarding Turnitin software for plagiarism detection in scientific reports writing to improve the writing standards as per international requirements so that the old system of cut and paste is discouraged.
- ❖ Keeping in view the above-mentioned objectives of the QEC, altogether 31 Self-Assessment Reports (SARs) of BS/BA programs and 17 Self-Assessment Reports (SARs) of MEd/PhD programs have been completed. However, during the reporting period 18 SARs of following Departments/institutes completed. All SARs are available on the website of QEC:
- ❖ Following the direction of QAA/HEC, Islamabad through Self-Institutional Performance Evaluation (SIPE) has been conducted in the reporting year i.e. 2021-2022

### TEAM OF IPE OF HEC VISITS SALU

On the directives of Quality Assurance Agency of Higher Education Commission (QAAHEC), Islamabad regarding Institutional Performance Evaluation (IPE)-2021-22 a team of HEC visited Shah Abdul Latif University, Khairpur for three days. The team was led by Prof. Dr. Saad-ul-Hasan Chishti, Vice Chancellor, Education Youth University, Islamabad, Mr. Munir Ahmed Mirjat, Director Quality Assurance Division HEC, Islamabad, Dr. Abdul Qadir Chairman, Civil Engineering Department, Balochistan University of Engineering & Technology, Karachi, and Dr. Naveed Ahmed, Deputy Director QEC, National College of Arts, Islamabad were the members of IPE. They called on the Vice Chancellor Prof. Dr. Khalid Ahmed Inayatullah as Vice Chancellor Secretary and discussed on the academic, research and development.

On this occasion, Prof. Dr. Khalid Ahmed Inayatullah shared with the team regarding academic development, research and governance of the University. He said that Shah Abdul Latif University,

Khairpur is the prime academic institution having significant geographic location providing conducive, congenial and peaceful environment to the students and staff. He said various drastic measures have been taken on different sides for its betterment. He said our undergraduates and graduates are rendering their services for the welfare of the state and country at large.

Review Panel of IPE conducted meeting with the graduates and postgraduates' students of different Institutes and Departments, they also interacted with the Faculty Members including TTS, interacted with Deans, Directors, Chairpersons, Registrars, Controller of Examinations, Director Quality Enhancement Cell (QEC), Director QRC, Director Student Affairs, IT Manager, Program Hosts, Director Finance, Project Director (Works), Director Planning & Development. They also visited the Academic Block, F.M. Raza Station, Students Societies Centre, Dars Palm Research Institute, Smart Classroom of Institute of Business Administration, Labs, Library, and Cafeteria.

At the end, they also held exit meeting with Vice Chancellor. They felt satisfaction regarding the available facilities. They said that this institution is working in line with the minimum eligibility criteria and guidelines provided by the Higher Education Commission, Islamabad.

Prof. Dr. Inam Razi, Director QEC, Prof. Dr. Rizq Ahmed Shafiq, Deputy Director QEC and Mr. Anam Waseem Pathan, Deputy Controller of Examinations assisted the IPE team.

### Quality Enhancement Cell

The Quality Enhancement Cell (QEC) of Shah Abdul Latif University, Khairpur adapted & implemented all the Self-Assessment procedures set by Higher Education Commission from 2009 successfully in the university. The purpose of establishing QEC is to ensure quality practices in curriculum, research and assessment through various feedbacks. The sole objective of implementing assessment process is to enhance quality in academics and research both nationally and internationally. The QEC acts as a facilitator for the teachers and the students to improve their performance at every walk of life.

The main responsibility of the QEC is to make the idea of self-assessment acceptable and to facilitate the university staff to assess themselves and improve instead of monitoring them. The prime aim of quality education could only be achieved by developing the habit of self-evaluation which is impossible without changing the culture of the university. To achieve this goal, improvements have been made including unbiased and fair system of evaluation.

### Membership of Association/Network

- ✦ Shah Abdul Latif University QEC has first time become member of Pakistan Network of Quality Assurance of Higher Education (PNQAHE) and hosted 3rd International conference successfully.
- ✦ Besides, Shah Abdul Latif University QEC has obtained the membership of the International Network for Quality Assurance Agencies in Higher Education (INQAHE)
- ✦ This University is the member of prestigious International Association of Universities (IAU) working under the umbrella of UNESCO.
- ✦ SAU is member of Sorbonne Academy UK.
- ✦ Moreover, Shah Abdul Latif University, Khairpur has applied for the ISO 9001:2015 Certification. The University has hired the services of Allied Consultant, Karachi. Different Orientation Seminars have been organized and Management Representative and Deputy Management Representatives have been nominated to accomplish the process of certification. Hopefully within short span of time, SAU will obtain the ISO Certification.

## 8. SAHIB AKADEMIK: LINKAGES

- Introduction to Industry-Academic Linkages
- National/Provincial Academic Linkages
- International Academic Linkages

### Introduction to Industry-Academic Linkages:

Universities and Higher Educational Institutes are a source of new knowledge. They work at the cutting edge of science and develop human resources at higher levels with required skills. Industry in turn uses these resources (knowledge-base and trained manpower) to translate the new knowledge into useful and profitable applications as well as technologies to enhance their competitiveness, besides creating jobs.

Such close linkages are mutually beneficial in variety of ways. The industry would gain

- ✓ New knowledge at affordable prices
- ✓ Trained manpower with requisite skills in new and emerging areas of science
- ✓ Access to and accelerate translational research by leveraging the knowledge base from universities to remain competitive

On the other hand, universities would benefit from:

- ✓ Increased flow of financial resources for their research activities
- ✓ Identification & opportunity to work on relevant industrial problems
- ✓ Enhanced capacity to train manpower better aligned to industry needs
- ✓ Internship opportunities as well as enhanced employment opportunities for their students
- ✓ Development of courses / curriculum with industry inputs
- ✓ Engaging the industry personnel for teaching assistance (as visiting track faculty) etc.

### Industry-Academic Linkages at Our University:

Our university is looking upon teaching and manpower-training recognizing that standard of university and its quality of education is directly aligned to its inherent R&D strengths and its continuous knowledge renewal with new research, our University created excellent research facilities which are contributing well to basic research. In this regard "Industrial Linkages and Placement Bureau" was established whose prime task was to establish the linkages with industry as starting point for placing our students in different manufacturing and service oriented public and private organizations for their practical learning and exposure in tracks, also industrial tours are organized for students to equip them about industrial culture because an enhanced university-industry linkages could substantially contribute to all performance indicators and contribute to better ranking of universities. Especially in summer vacations students are allowed to work in different organizations as an intern for 6 to 8 months likewise:

1. Centralized banking authority
2. SECP
3. Stock Exchange
4. FMCG companies
5. Pharmaceutical companies
6. National and International NGOs
7. Social Internship, etc.
